

CARDS OF THANKS

I feel so blessed to have so many wonderful people in my life. From the time I was diagnosed with Breast Cancer to present, I have been shown a multitude of kindnesses on a daily basis. This kind of thing can only happen in a small community and I do thank God every day for each and every one of you who prayed, cooked, cleaned, sent cards, stopped by to check on me and so many more things I can't possibly list it all. I am so very thankful for my family and friends who made this experience bearable. I pray each day for God to bless your lives as you have blessed mine. -Kim Mortensen
