Shaw Aerial Spraying would like to thank all of the area agriculture producers for your business in the past months and to introduce you to our pilot Garrett Moore. This is Garrett's second year flying for us and he will be here all spring and summer to handle all of your application needs from the air. Garrett knows it is a busy time of the year, but would like to remind you to be thinking of your foliar application needs for your corn acres. NResponse fertilizer with its low salt index of 13 sold by Shaw Aerial Spraying has been proven to increase corn yields by 5 bushels per the acre. Book your corn acres now to insure timely application of this proven yield increasing foliar fertilizer by calling Scott at (785) 953-0707 or Rich at (785) 475-2707.
