

# Let the **Gorilla** help sell your stuff

## If you're planning a garage sale, be sure it's in **The Country Advocate**

Invite the 900-pound Gorilla to help with your garage sale. You'll have more customers, sell more stuff and make more money. That means more in your pockets at the end of the day, and less junk to haul off to the dump.

How does it work? Simple. While the paper reaches most families in the town, The Country Advocate goes all over northwest Kansas. It reaches 41,860 readers in 11 Kansas counties, plus parts of northeastern Colorado and southwest Nebraska.

That's why it's the 900-pound Gorilla of Northwest Kansas Advertising, reaching more homes and more people than any other publication, broadcast station, cable system, Internet page or advertising medium.

Reader after reader has tried The Advocate for their advertising. The results?

Stuff sells. People drive for miles to find a good sale. They don't want to walk away empty-handed. The Gorilla works.

Your newspaper makes it easy for you to be in The Advocate. Just call or stop by and place your ad. You'll be surprised how easy it is, and how affordable. You'll be surprised — and happy — when your phone starts to ring or people show up at your door.

But call today. Deadline for The Advocate is noon Friday, ONE WEEK BEFORE a weekend sale. Sure, you can get an ad in the paper later, but it won't be the same. Call the Gorilla.

**Red River Commodities,**  
a leading processor of  
sunflower seed for the  
snack and bakery industries  
is seeking a General  
Manager. General Manager

will oversee management  
of all areas of the Colby,  
KS facility to ensure that  
products are manufactured  
on-schedule, within quality  
standards and meets cost  
objectives. Coordinates  
procurement of sunflower  
crop in central growing  
regions. Essential Duties and  
Responsibilities: Develop  
the manufacturing plan and  
establish procedures for  
maintaining high standards of  
manufacturing operations to  
ensure that products conform  
to established quality  
standards. Formulate and  
recommend manufacturing  
policies and programs that  
guide the organization in  
maintaining and improving  
its competitive position  
and the profitability of the  
operation. Ensure facility  
meets customer and external  
inspection standards; such  
as AIB and SQF. Identify,  
recommend and implement  
changes to improve  
productivity and reduce cost.  
Direct the establishment,  
implementation and  
maintenance of production  
standards. Coordinate  
major projects, (e.g., plant  
layout changes, installation  
of capital equipment, etc.).  
Initial point of contact  
with regional producers.  
Foster relationships with  
growers to create purchase  
opportunities. Ability to work

one on one with growers  
to understand issues and  
concerns they face and  
devise win/win solutions.  
Be aware of crop conditions,  
potential yields, and supply  
vs. demand dynamics in  
market place. Knowledge  
of sunflower production and  
assistance in hybrid seed  
selection. Travel across KS,  
CO, NE and potential other  
central/southern growing  
regions. Negotiate contracts  
and prices. Education and/  
or Experience: BA/BS in  
industrial, mechanical,  
food related or business  
administration or a 4-year  
technical degree in related  
discipline. 10+ years of  
experience in manufacturing  
management, preferably in  
food oriented operations  
and/or related industry.  
A minimum of 5 years of  
experience managing a  
significant segment of a  
large manufacturer or the  
entire operation of a smaller  
manufacturer. Red River  
Commodities offers a  
competitive wage and an  
excellent benefit package.  
If interested please send  
resume to: Red River  
Commodities, Inc., Attn:

In the past 24 months China rejected more than 5 million tons of U.S. Corn due to MIR – 162 unapproved variety marketed by Syngenta.

Leading AG experts say damages to ALL corn farmers could exceed 5 billion dollars.

Please join us at the above Town Hall Meetings for more information.
