

# Cougar Sports With Bru and the Crew

The Cheylin sports teams had what most would consider a very successful homecoming week. Both teams got some much needed wins. Let's review both teams excellent work.

### Volleyball

The volleyball ladies started the week off great with a pair of convincing wins.

The ladies started the night off with a win against Oberlin. The Cougars got off to a bad start by dropping the first set. However, they won the next two sets, which gave them the match win.

The ladies were then able to turn around and win the battle of the courthouse by beating the Saint Francis Lady Indians. These were great wins for our Cougar ladies.

The only blemish of the week came when the Lady Cougars dropped their homecoming day game to the Golden Plains Bulldogs.

A best three out of five match was to be played with the Bulldogs. The Bulldogs won the first match. The Cougars came back and won the second. However, the Cougars couldn't keep the momentum and they lost the next two sets, which resulted in the loss of the match.

### Football

The Cheylin football team faced the Bulldogs as well. The boys got off to a good start and made the score 8-0 right off the bat. The scoring ceased for a short time, but the Bulldogs quickly tied things up 8 to 8.

The Cougars put together another impressive drive to go up 16-8. The Cougar defense forced and recovered a fumble and the offense was able to capitalize by scoring another touchdown. The Cougars led 22-8 after a failed 2-point conversion.

The bulldogs were able to squeak out a touchdown right before the half. The Cougars stopped the two-point conversion and took a 22-14 lead into halftime.

Golden Plains came out of the half and put a quick score on the board. The successful conversion tied the game at 22. Both defenses held and the ball traded hands several times.

The Cougars were able to put up a touchdown and conversion during that stretch. Their lead stood 30-22. The Cougars needed to put together a clock burning drive to ice the game. They were able to do so.

The biggest play of the drive came when the Cougars were able to complete a fourth and six pass to Walker Janicke. The pass gave the Cougars a first down.

The Cougars were then able to run out the clock. Final score 30-22 Cougars. This was a big win for our men.

Two final thoughts for this game....

First, Cougars starting fullback and middle linebacker Eddie Frisbie went down late in the fourth with a leg injury. I'm sure that all of Cougar nation wishes Frisbie a quick recovery.

Secondly, the flags in this game were ridiculous. The officiating crew seemed at times very quick

to throw their penalty flags. One must question if these men have ever heard of letting the kids play the game. The Cougars were called for holding numerous times. However, not one holding flag was thrown against Golden Plains. This is extremely hard to believe as many football experts claim that there is holding on every play, but is only sometimes called. Did these officials perhaps only see the penalties that they wanted to see? We will never know, but either way penalties were a serious issue for the Cougars.

### Next game

The Cougar men face a very important game this Friday when they travel to Weskan. This game is the biggest of the Cougars season. Best of luck to the Cougars in this game against the Coyotes. We also wish the volleyball ladies the best of luck in all their upcoming games. GO COUGARS!!

## McDonald News

By Kathy Banister

Congratulations are extended to Eddie Frisbie and Shayla Hubbard, both seniors of Cheylin High School, who were crowned king and queen of the Cheylin Cougar Homecoming Wednesday evening before a large crowd attending the festivities. Following the introduction of all the homecoming court, the names of the king and queen were announced amid great applause. Shayla is the daughter of Dave and Sylvia Hubbard and Eddie is the son of Dave and Sandy Frisbie.

Kenny and Phyllis Wilkinson were Wednesday visitors of their friend, Paul Meints, in McCook.

Marlene Johnson attended the retirement party in Atwood on Tuesday afternoon for Cheryl Wederski, former Rawlins County Clerk.

Karlyne Atchison took her aunt Marie Holzwarth out to lunch Friday at the Pizza Hut in St. Francis. Karlyne later took in the Cheylin-Golden Plains

homecoming football game that evening to watch her nephew Ty Carmichael play.

Marlene Johnson accompanied Brian and Connie Sabatka on Sunday afternoon to Bird City to help her great-granddaughter, Kyla Howard, celebrate her sixth birthday at the home of her parents, Chris and Dana Howard.

Many folks attended some of the homecoming festivities which included the coronation Wednesday evening which followed the free barbecue served by both banks of McDonald and Bird City. Many stayed to watch the different skits put on by the high school classes as part of the pep rally. A few more were in attendance at the homecoming game Friday evening that was played in bone-chilling gusty wind as Cheylin battled Golden Plains and came up victorious. Way to go Cougars!!! We also wish Eddie Frisbie the best as he recuperates from his injury suffered in the game.
