United Methodist Women tour gardens

The **United Methodist Women** had a garden tour on Wednesday, June 13. Following the tour, the participants enjoyed the sack lunches they had brought, while visiting in **Bonnie Reid's** backyard. In spite of the wind, all the ladies enjoyed the tour and the visit.

and found out inmates were good sources of treats. She really enjoyed her days at the Senior Center, and greeted everyone like they were the most welcome guest ever. It's going to be quite a while before we can think of her without a lump in our throats. I think even **Allie** misses her, too, although they never got to be too pals. We are glad we aren't totally pupless, but no one will ever be quite like **Keturah**.

We had our son and family, Barry and Kim Michael, and Rebekah and Andrew, here, so that Grandpa **Roger Michael** could perform the dedication of Andrew Jordan, on Sunday, and it was so great to have them here. We enjoyed a bar-b-cue on Saturday evening, with **LaVelle and the kids**, and also, a dinner on Sunday, after church. Andrew was so sweet, and Rebekah is growing into quite a young lady. We enjoyed watching videos of her dance recital, and all the pretty young girls in her dance class. A lot of work goes into the activities of young people, not only by the instructors, but also by the parents that have to insure that these little performers make it to all the practices and programs. Kim has decided that with the upcoming medical care of Andrew, that maybe, they will wait a year or so before entering Rebekah in another dance class.

Pauline Goetsch, wife of Lee Goetsch of Sun City, Ariz., died June 4. She and Lee came to Brewster often to visit Dorothy Goetsch and other relatives.

Roger and I attended the funeral services for Loraine Berry. It was a very nice service and I know Loraine would have been proud of her family.

The report on **Ruth Jones** is good and it won't be long before she will be up and around town again. She and **George Luckert** might be having a foot race before we know it. Whatever the case, it is just good to have them over their surgeries and hope they will soon be up and about again.

George and Roberta Luckert are home from Hays where George had his knee replaced last week. Everything is doing fine, and we hope it won't be long until George is back to his normal routine.

Merle and Helen Metzler arrived home Sunday night from Colorado Springs where Merle had his checkup. While there, they attended the graduation of their grandson, Nate. He is the son of Larry and Geneva Metzler. Nate and his four brothers were able to throw a surprise 25th anniversary party for their parents, Larry and Geneva Metzler, and Merle and Helen were happy to share in this occasion. Helen said they were most definitely surprised, and the kids were happy everything went so well.

Sam and Mary White Family has reunion

The 40th Annual Sam and Mary White Family Reunion was held at the Senior Progress Center on May 27, 2001 with 42 people present.

After the opening prayer and dinner, Shad Sanders sang *The Old Rugged Cross* for Aunt Esther (White) Johnston.

Then Shad, Sandy and Tanya White, Nancy Sanders and Marsha Smith sang *Amazing Grace* with all present accompanying them.

Nancy talked about the Quantrell Raids in eastern Kansas in the 1800's. She also challenged all in the family to share any genealogy they might find or have on Benjamin White and his ancestors.

Maxine Bohn announced her retirement as historian this year. Kelly Reilly (son of Verna White Reilly) was elected president and Historian for the 2002 reunion. Virginia Fett (daughter of Esther White Johnston) was

elected secretary/treasurer. Marsha Smith read the minutes from 2001.

Lucille White talked about the upcoming events for granddaughter Lacey Dale Culley (daughter of Debbie White Payne) as reigning Miss Oklahoma and also told about the surgery that Bill White did on the man who couldn't stop growing. Lucille also has the article from the paper about this.

Nancy Sanders talked about the recent deaths of Gerry White in August of 2000 and Ruth Larson Brickley in December of 2000.

It was voted to rent the Senior Progress Center again for the 2002 Reunion and also to continue to have the reunions every year.

After the business meeting was adjourned more time was spent visiting.

a Veterans Memorial Garden, erected a barracks building and listed the Norden Bomb Site Vault on the National Historic Registry. The Veterans Memorial Garden and barracks are open approximately 120 days a year. **For information write to McCook Army Airbase Historical Society, P.O. Box B-29, McCook, Neb. 69001.**
