### ORDINANCE NO. 273

**AN ORDINANCE AMENDING SECTION 15-114 OF THE CODE OF THE CITY OF BREWSTER, KANSAS, (1995).**

**BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF BREWSTER, KANSAS:**

**SECTION ONE.** Section 15-114 of the Code of the City of Brewster, Kansas (1995), is hereby amended to read as follows:

**UTILITY DEPOSIT.** (a) In order to insure the payment of all charges due for utility services, the city clerk shall require all customers to establish and maintain his or her credit by making a cash deposit before any connection for utility service is made. The amount of deposit required for such purposes shall be fifty dollars (\$50.00). The city clerk may require the customer to increase the amount of the deposit at any time if the charges actually billed against the customer exceed fifty dollars (\$50.00). The fact that a deposit has been made shall in no way relieve the customer of his or her obligation to comply with the city's regular collection policy with respect to past due dates and the prompt payment of bills upon presentation or discontinuance of service for non-payment of any sums due the city for utility services rendered.

(b) The deposit so made shall be kept by the city clerk in a separate account and deposited in a fund designated as the "meter deposit fund." Interest shall be payable at the rate determined by the state corporation commission yearly and credited to the customer's account January lot of each calendar year.

(c) The deposit and interest accrued shall be payable in cash upon demand by the customer depositing the same or it may be credited on the payment of any bill rendered; provided, that the second interest payment date following the deposit required above, the city clerk may refund the deposit of any depositor to whom water service is being furnished and who has not been delinquent in payment of any water service charge during the past year. Interest due and accrued shall not draw interest.

(d) Upon the discontinuance of any service at the request of the depositor, the deposit shall be refunded upon surrender of the original receipt therefor together with the accrued interest thereon less any amount due and owing the city for services furnished prior thereto.

(e) Any security deposit not refunded within three years after discontinuance of service shall be deposited in the water fund of the city upon compliance with the provisions of K.S.A. 12-822 as amended.
