WHEREAS, K.S.A. 79-2925b provides that a resolution be adopted if property taxes levied to finance the 2002 Smith Township budget exceed the amount levied to finance the 2001 Smith Township budget, except with regard to revenue produced and attributable to the taxation of 1) new improvements to real property; 2) increased personal property valuation, other than increased valuation of oil and gas leaseholds and mobile homes; and 3) property which has changed in use during the past year, or with regard to revenue produced for the purpose of repaying the principal of and interest upon bonded indebtedness, temporary notes, or no-fund warrants; and

## SUMMARY OF CLASS NOTICE

To: ALL PERSONS WHO WERE PARTIES TO A CELLULAR TELEPHONE SERVICE CONTRACT WITH RCC HOLDINGS, INC. (d/b/a CELLULAR ONE) OR RURAL CELLULAR CORPORATION OR WERE PROVIDED CELLULAR TELEPHONE SERVICE BY RCC HOLDINGS, INC. OR RURAL CELLULAR CORPORATION IN ITS SOUTHERN REGION (ALABAMA, MISSISSIPPI AND KANSAS) DURING THE PERIOD FROM APRIL 1, 2000 FORWARD:

You may be a member of a group of persons whose rights will be affected by a settlement proposed by the parties in a lawsuit captioned **Garrett Griffin and John P. Buxton v. RCC Holdings, Inc., Rural Cellular Corporation and Regan Anderson** pending in the Circuit Court of Coffee County, Alabama, Civil Action No. 2001-13. Plaintiffs, Garrett Griffin and John P. Buxton, and Defendants, RCC Holdings, Inc. ("RCC"), Rural Cellular Corporation ("Rural Cellular") and Regan Anderson, propose to settle the referenced case by consenting to settlement with a class of persons that may include you. You may object to the proposed settlement by filing written objections with the Clerk of the Circuit Court of Coffee County-Enterprise Division, 230-M Court Avenue, Enterprise, Alabama, 36323 no later than December 10, 2001. You have the right to appear and object through your own counsel. If you timely file objections, you may appear and be heard at the hearing to determine the fairness and adequacy of the proposed settlement, to be held at 9:00 A.M. on December 18, 2001, in the courtroom of Judge Gary L. McAliley, Circuit of Coffee County-Enterprise Division, Enterprise, Alabama.

The plaintiffs in this case contend that the Defendants have breached contracts with and made misrepresentations to the Settlement Class Members regarding their cellular telephone service and related charges. Defendants deny any and all liability with respect to the matters alleged in the complaint and deny that they have violated any laws.

Under the terms of the proposed settlement, Defendants have agreed (1) to provide notice to each Settlement Class Member that detailed billing is optional and that a credit is available to each Settlement Class Member who declines to receive detailed billing and requests such credit; (2) that each Settlement Class Member who originally entered into a cellular telephone service contract with RCC under either the Choice 1 plan or the Choice 2 plan but have subsequently changed plans will be given the opportunity to terminate such plan without any termination charges; (3) to revise their contracts and forms to disclose an insurance administrative fee and an insurance deductible; (4) to revise their contracts to specifically describe the equipment charge and the fraud protection fees, as well as the coverage for such programs; (5) to provide notice one billing cycle in advance of any future changes or charges within their control and to amend their contracts to provide that customers can cancel their contracts without paying the termination fee if any such change is to the customer's detriment; (6) to provide forty-five minutes of free home area cellular telephone service to be used in connection with any current or future cellular telephone service contract entered into between RCC and such Settlement Class Member; and (7) to grant a voucher which will enable each Settlement Class Member to receive a non-transferable credit of \$15.00 toward the purchase of any cellular telephone accessories from Defendants within one year of the date of issuance.

Defendants have already provided a refund of a \$10.95 charge which was erroneously charged to some members of the Settlement Class in February 2001 and provided a \$15.00 voucher to such members. Defendants have also already provided sixty minutes of cellular telephone service to those members of the Settlement Class affected by a tower outage in Marengo County, Alabama in March 2001.

If you are bound by the Stipulation of Settlement, you release Defendants from any and all claims connected with, arising out of, or related to, in whole or in part, your cellular telephone contract(s) and service with Defendants. Defendants agree to pay Plaintiffs' attorneys' fees, costs and expenses, as approved by the Court, up to a specified maximum. The settlement also requires dismissal with prejudice of claims of members of the Settlement Class against Defendants and dismissal of any other pending suits making claims resolved in this case.

This notice is intended only to alert you that your rights may be substantially affected by the terms of the proposed settlement. Further information regarding the settlement can be obtained from Plaintiffs' counsel: Warren Rowe, Esq., P.O. Box 311305, Enterprise, Alabama 36331. The Stipulation of Settlement itself is on file with and available for copying at the offices of the Clerk of the Circuit Court, and includes restrictions and procedures which are only summarized here. The Stipulation of Settlement alone establishes the full rights and duties of the members of the proposed Settlement Class.

This notice is not to be construed as an expression of any opinion by the Court with respect to the merits of the claims asserted by Plaintiffs or of the defenses raised by Defendants in the lawsuit, or with respect to the merits of the proposed settlement.

DO NOT CONTACT THE COURT OR THE CLERK ABOUT THE SETTLEMENT. ADDRESS ALL INQUIRIES IN WRITING TO WARREN ROWE, JR., ESQ., AT THE ADDRESS SHOWN ABOVE.

Clerk, Circuit Court of Coffee County, Alabama
