Heat continues to make area residents hot and miserable

The heat is starting to get little monotonous, and it's getting harder and harder to remain "cool, calm, and collected". What is even harder is remembering that everyone else is just as hot and miserable as me. So, I think we need to pray for peace, as well as for rain.

The weather will break, one of these days, and we must remember that there are many that are having a much worse summer than we are.

Just think of the ones that have lost their homes due to floods, fire, and other hazards. So, we can always thank the Lord for the weather He has given us, as there are many that aren't nearly as blessed.

I want to say I am very sorry that I reported that Nadine Kammer did not go back to Maryland for her brother, Bill's funeral services.

She and her daughter, Lou Brown, flew to Maryland, from Prescott, Ariz., and when it was time to come home, Nadine traveled with Bonnie and Warren Reid and Lou returned to Arizona, by plane.

I read the write-up about Mr. Mallory, and it seems that he led a very interesting life, and I know Bonnie and Nadine will miss him, very much. Charles W. Mallory, passed away, in Severna Park, Md., last week. He was a graduate of Brewster High School.

Mrs. Lola Marrs reported to me that

the Levant School Reunion, scheduled for Aug. 4, has been canceled for this year, due to unforeseen circumstances.

The people in charge, want all to know how much they hate it if you have been inconvenienced by the change, and they will hope to see next year. A big thanks to Mrs. Marr, for bringing this to the Levant people's attention.

Another notice, is about Evelyn Trout, who will be celebrating her 80th birthday, on Sunday, July 8, at the Goodland Senior Center.

This will be an open house, and the only gift requested is the presence of those that grew up with this lady or know her daughters, Pat Helton, and Lila Mayer. The reception will be from 2-4, MDT and the only gift required is your presence.

Nanette Stanley of Lake Havasu Ariz., and her daughter, Lisa Stanley, of Denver, spent a few days in the area, visiting relatives. Nanette is the niece of Inace Parker, and was raised by Inace and Bill.

Barbara Springsteen and her son, Greg, of Garden City, drove to Atlanta,

Ill., to visit relatives. They were gone for about ten days, and enjoyed seeing Barbara's family from that area.

Roger and I went to Hays, on Sunday, July 14. We brought our grandkids, Nathaniel and Corinne Ziegler, back home with us, on Monday. Early Tuesday morning, Roger and Nathaniel left for Cedar Bluff Reservoir, along with Curtis Crouse, one of the men from church, and they enjoyed a few days fishing and fellowshiping.

Corinne and I had a good time, hanging out together, and spending time at the Senior Center.

She worked on jigsaw puzzles, saw lots of baby bunnies at the Gray's, enjoyed shopping at the Craft Peddler, and I enjoyed having her to keep me company.

I think she was getting ready to go back home by Thursday, so she was glad to see her Mom.

Speaking of grandkids, Joyce Crabtree is proud of all of hers, and one of them is making a name for himself, in the Race Walk Track event. Spencer Holm, son of Bonnie and Shane Holm, currently of Utica, qualified for the Region 8, AAU Track and Field Event, held in Columbia, Mo., on July 6. He received first place in this event, and on July 13 he received first place in the Region 9 USATF event, held in Tulsa, Okla.

He will be going to Nationals, in Knoxville, Tenn. sometime in August. In the meantime, the family will be moving to the Corpus Christie, Tex. area, so this has been a really busy summer for Spencer and his family.

Congratulations to this young man and the accomplishments he has had. Race Walk is a difficult event, and the competition is pretty tough. We wish him the best, at Nationals next month.

We were sorry to hear about the death of George Coffey, earlier this week, in California. George was a member of the class of 1935 and was honored, along with Bob Baird and LaVelle Michael, at the Homecoming of 2000. Our sympathy to the Coffey

Club News

The Colby Lions Club had an evening of decisions and information as they met at the Ramada Inn on July 15 for their monthly meeting.

Lion President Chris Trundle called the High Plains Lion Club to order at 7 p.m. Lion Francis Britton led the flag salute, Lion Trundle gave the prayer and Lion Sherrie Brenn lead the club in song.

Following a buffet dinner, the club had a short business meeting. It was reported that the club would have luminaries and a team for the relay for life walk.

The Lions will also help with the upcoming demolition derby during the Thomas County fair. Committees were named to help with both of those events.

An invitation was given for the 50th wedding anniversary of Mr. and Mrs. D.J. Bugbee for August 7.

The club also voted to send a memorial to the Willard Johnson Fund, he was the uncle of Lion Virgil Jones.

Program chairman for the evening was Lion Melda Moore. She reported on the state convention that she and several Lions members attended. She passed pictures around to prove that she had been there.

Lion Moore urged everyone to start a plan for next year to attend the Lion's International Convention. It will be

held in Denver in 2003. The Kansas delegation will stay in the Doubletree Hotel.

She ended her program by saying, "Denver in 2003, It'll never be closer."

A reminder to the club members was given by president Trundle to remember the up-coming Thomas County fair, the demolition derby, and the Lions BBQ on Aug. 26.

The next Lions Club meeting will be at the Ramada Inn on Aug. 12.

family on this loss. Speaking of Bob Baird, he and his wife, Pauline, will be celebrating their 65th Wedding Anniversary this month, and we send our congratulations to them. Maybe we'll get some of the 40 percent moisture, forecaster for early in the week, but we'll just have to be satisfied with what we do get. And remember, every one is just as hot and miserable as you are, so be kind and patient. I'll do the same, and see you next time.
