—11/27—12/5—

'TIS THE SEASON TO BE SAFE!!

Follow these steps to keep your home merry, bright and free of fire hazards this holiday season:

- ☒ Select a tree that is fresh by looking for a deep green color; firmly attached, flexible needles; and a strong pine scent.
- ☒ Place your fresh tree in a sturdy stand, at least 40" away from fireplaces, radiators or other heat sources, and water it daily.
- ☒ If you purchase an artificial tree, make sure it is clearly labeled as fire resistant.
- ☒ Use only UL approved tree lights and, whether they're new or old, check each strand for cracks, frayed wires or loose connections. Discard or repair damaged sets immediately.
- ☒ Be careful not to overload electrical outlets and unplug all lights when not at home or sleeping.
- ☒ Never use lighted candles on or near a Christmas tree or evergreens, and be sure to extinguish all candles before going to bed.
- ☒ Install a smoke detector in the same room as your tree and outside each sleeping area of your home. Keep a reliable fire extinguisher accessible and have a fire escape plan ready.

These holiday safety tips brought to you by YOUR
