## Death

### Kyle Weston Andregg

Kyle Weston Andregg, 66, of Hoxie, died Monday, March 10, 2003 at the Sheridan County Hospital in Hoxie from leukemia.

Mr. Andregg was born on Jan. 11, 1937 in Hays, the only child of Chester and Hazel Andregg.

He spent his childhood on the family farm near Menlo until the family moved from there to Hoxie in 1948.

He then completed his grade school and high school education in Hoxie and attended Fort Hays State University from 1955-59.

His professional career included city government work in Colby and Lawrence, real estate sales and a buyer for the transportation department of Douglas County School District in Castle Rock, Colo.

Mr. Andregg returned to Hoxie in 1993 and renewed his farming interests.

He was a member of the United Methodist Church of Hoxie; a 32nd degree Mason with the St. Thomas Lodge #306 in Colby; Hoxie Elks Club and Fraternal Order of Eagles of Castle Rock, Colo.

He was very active in the Colby Jaycees and also at the state and

national level and honored as Outstanding Kansan Jaycee in 1967.

Mr. Andregg married Janice Sealock in August of 1957.

Together the couple had three children, one son, Todd and two daughters, Debbie, and Kyra.

He was a sports enthusiast, both as a participant and spectator.

Some of his hobbies included playing the coronet, guitar, flying airplanes and participating in black powder and Mountain Man activities.

Survivors include his wife and parents, all of Hoxie; his son, Todd of Lawrence; two daughters, Debbie Post of Scottsbluff, Neb., and Kyra Stromgren of Silver Lake, along with 10 grandchildren and extended family.

A memorial service will be held at 1:30 p.m., Thursday, at the United Methodist Church in Hoxie.

Following the service, guests can meet with family in the church social hall.

Memorials can be made to the Sheridan County Health Complex in Hoxie and sent in care of Leopold Funeral Home, Hoxie, Kan. 67740.

Leopold Funeral Home is in charge of arrangements.

## Police honored at dinner

By PATTY DECKER

Law enforcement officers from the city and county were recognized Monday night during a special dinner sponsored by the Community Awareness Team, said Janet Worthy, coordinator.

"Active supporters of the awareness team, parents, youth, and county and city officers, along with their wives were invited to the dinner as a way to show our appreciation for the difficult job they do," she said.

There were 23 people attending the dinner held at the Comfort Inn Convention Center to promote positive interaction between the young people, parents and officers, Worthy said.

"The main purpose for the dinner was to give everyone an opportunity to meet in a positive at-

mosphere in order to gain understanding and increase respect for one another," she said.

The idea being that if younger people have a better understanding of law enforcement's perspective, it might help decrease a young person's attitudes toward problem behaviors, such as underage drinking.

One of the outcomes from the dinner and discussion, Worthy said, was in looking at events that might further enhance relationships between law enforcement and young people.

Worthy said that some ideas submitted from parents, youth and officers included paintball competitions or a trap shooting event. Other

suggestions were survival activities, disc golf, softball, bicycle rides, movie nights, basketball or softball games and even picnics.

In addition to the awareness team's sponsorship, the Northwest Kansas Juvenile Services and the Thomas County Sheriff's Department assisted in the cost of the dinner.

## Clubs

### Colby Priscilla Club

Twelve Colby Priscilla Club members met at the home of Jo Kready on Thursday evening. Vice-President Jerri Shuman opened the meeting by having Joan Adrian introduce her brother-in-law, Tim Adrian, of Colby.

Mr. Adrian shared artifacts dated back to the Paleo Indian time period of 6,000 to 10,000 B.C. The artifacts, consisting mainly of stone working tools and some weapons, were found on his property in northwest Norton County around 1981. Located in the pasture and some farm ground, many of the rock tools would surface after a spring rain. Mr. Adrian showed stones that had been honed to use in hide cleaning, "block" end scrapers, cutting tools, spokeshaves, and one very famous Hell Gap spear point which served to date the entire find to about 7,000 to 8,000 B.C.

This site was named the Tim Adrian Site and was researched and excavated extensively by Dr. Patricia O'Brien, now retired from Kansas State University, along with her team of archeologists. At the time of this finding, Dr. O'Brien was the head of Anthropology at Kansas State University.

The rocks the Indians used were mainly Niobrara chert, and were excavated by the Indians along Spring Creek to use as tools. A source rock was found that showed where parts of the rock had been knocked off to make tools.

Other sites similar to the Tim Adrian Site include the Casper, Wyo. site, one in Northeast Colorado, Montana, Scottsbluff, Nebraska, and Alberta, Canada.

Following the program, members recited the collect and enjoyed roll call with funny stories or jokes remembered or read.

Next month's meeting will be Thursday, April 3, at Joan Adrian's home. Roll call will be a favorite cookie recipe.

## NOTICE TO CD INVESTORS

MEMBER FDIC

Sunflower Bank is certainly aware of the dilemma facing most Certificate of Deposit investors. The yields on CDs from six months to a couple of years are so low they just don't fit your needs. On the other hand most are certain that if you commit your funds for a longer term, such as five years, yields will certainly rise a lot during that time and you will not be able to earn that much higher rate without sustaining very substantial penalties. In addition, there are the traditional concerns of needing the money before the CD matures.

At Sunflower Bank we have an option for you to ease your concerns. In fact it is a CD with several options, so we call it the **TRIPLE OPTION CD**.

**OPTION 1:** For those of you concerned about investing long term as yields may go up. If rates on this product go up during the term of your CD, **YOU HAVE THE OPTION TO JUMP YOUR YIELD ONE TIME TO A NEW YIELD.**

**OPTION 2:** For those of you concerned about investing long term, as you may need some of the money during the term of the CD, **YOU HAVE THE OPTION TO WITHDRAW ONE HALF OF YOUR FUNDS AT ANY TIME DURING THE TERM WITHOUT PENALTY\*\*.**

**OPTION 3:** If yields should go down even farther during the term of the CD and you wish you would have invested more money in this product, **YOU HAVE THE OPTION TO ADD ADDITIONAL FUNDS TO YOUR CD IN \$1,000 increments up to the original amount of the CD.**

We hope this **TRIPLE OPTION CD** eases your concerns as a CD investor and allows you to enjoy longer-term yields without limiting your options.

**Initial 36 month APY: 3.00%\***

**Initial 60 month APY: 3.75%\***
