Correction

Household Hazardous Waste Collection

The front page article regarding the household hazardous waste collection that was published on Monday, Sept. 8, was incorrect when it stated that latex and oil-based paints were not acceptable. It should have read that latex and oil-based paints are acceptable at the site (190 W. 4th St.) this Saturday.

Engagement announcement for Rachel-Epard

In the Friday edition of the *Colby Free Press*, the engagement an-

nouncement for Emilie Rachal and Kenton Epard had an incorrect spelling.

The correct spelling for the groom-elect should have read Kenton Epard and not Eppard. The same error was made in the spelling of the mother and father's name, which should have read Richard and Neva Epard.

The *Colby Free Press* wants to maintain an accurate record of our town. Please report any error or lack of clarity in a news story to us at 462-3963.
