Winona family spends time in Kansas City

Aaron, Nichol, KaiLee, Augie and Terran Homburg hit the road for Kansas City Friday. They spent the weekend with Aaron's brother, Andrew Homburg, and his wife. Allaire and Arla Homburg of Quinter came to make the immediate family gathering complete. They attended church services on Sunday. Allaire, Aaron and Andrew favored the congregation with special music, accompanied by Arla Homburg.

 Monday Allaire, Aaron and Nichol returned to their respective homes while Arla and her three grandchildren remained for the week to attend Vacation Bible School.

Aaron and Nichol returned to Kansas City the following Friday to spend the weekend and attend the VBS program on Sunday. Puppies Dusty and Daisy received special attention at the home of Nichol's parents, Terry and Ginger Dreiling in Sharon Springs. Caren Lowe of Lawrence and Cynthia Seideman have been recent overnight guests of Jean Lowe. Caren was enroute to Breckenridge, Colo. to attend an Education Lead-

ership Conference. Cynthia was returning to Farmington, Ark. after attending a class on international travel in Denver. Tranquillity prevailed in this area as people went about their regular routine while watching and waiting for signs of harvest activity. "Old-timers" talk about how different this harvest is from years past. Fifty years from now the young adults will be spinning yarns of "remember that crazy summer of 2004—?" Advice from an editor/publisher when I accepted the privilege of reporting events for their newspaper was, "Your job is not to make the news, you write what you gather." So, as you see from the length of this column my "gathering" was, to say the least, meager. Please jingle my phone with your news or who knows what sentiment might appear next week.

Footcare program needs donations

Editor's note: The following article was submitted as a public service announcement from the Thomas County Health Department. For questions about any information in the article or general inquiries, call 462-4596.

Our footcare program needs your help! We are starting a donation fund to purchase a stack washer and dryer (as our space is limited) to wash our towels needed for our footcare program. As of now, we are taking these to the laundromat which takes time and money. With our own facilities, we will save taxpayer dollars and launder them here at the health department. What is our footcare program? For a very minimal fee, anyone with feet problems (thick nails, inadequate vision, etc.) can get their feet soaked, nails trimmed and filed, foot massaged and the whole foot is

monitored for any problems with referrals. If you would like to make a donation (which is tax deductible), please mail or bring in your donation to Thomas County Health Department, 350 S. Range, Colby, Kan. 67701.

This is a very worthwhile program that is a needed service in our community. We have many clients that utilize this program. You may give your donation in memory of someone and we will acknowledge it (if you wish) in the paper and at the health department.
