Conservation District issues sign-up reminder

The Thomas County Conservation District is holding a sign-up for fiscal year 2005 "Water Resources and Non-Point Source Pollution" cost-share assistance.

The sign-up does not guarantee approval or cost-share assistance, according to the District.

The "Water Resources Cost-Share Program" provides funding on a cost-share basis to assist landowners in the installation of conservation practices. The district's program is set at 50 to 70 percent (de-

pending on the practice) of the total cost or the county average cost, whichever is less.

Landowner limits apply depending on the practice applied for.

Practices eligible for cost-share assistance through the two programs include: critical area planting, range seeding, pasture and hayland seeding, contour buffer strips, filter strips, terraces, diversions, grassed waterways or outlets, windbreak establishment, mulching, livestock well, livestock pipe-

line, tanks, cross fencing, sediment basins, subsurface drip irrigation, pipeline (to convert from flood to center pivot or SDI), nozzles (converting from high pressure or impact to low pressure spray nozzles.), failing septic systems, cesspool plugging and livestock waste systems.

All practices receiving cost-share assistance must meet either the United States Department of Agriculture, Natural Resources Conservation Service Standards and speci-

fications or the Thomas County Sanitary Codes as enforced by the Northwest Kansas Local Environmental Protection Group.

All applications will be ranked and reviewed by the conservation district board.

The applications must be approved by the district board and the State Conservation Commission before any work can begin, the District's news release states.

If you would like to apply for cost-share assistance, stop by the district office at 915 E. Walnut in Colby, Monday through Friday, 7:30 a.m. to 4:30 p.m.

Or if you have any questions contact the office at 462-7482, ext. 3.

Funding is provided by the State Conservation Commission through appropriation from the Kansas Water Fund.

4-H shooters to hold event Saturday

The Thomas County 4-H Shooting Sports program will be holding its first annual fair event of the Thomas County Fair on Saturday. The events will consist of a B.B. gun match as well as a shotgun trap shooting event.

The trap shoot will be held at the Thomas County Trap Club which is four miles west, one mile south and 3/4 mile west from Colby off Highway 24. Registration for this event will begin at 8:30 a.m. and competition will begin at 9:30 a.m. The members of the 4-H Shooting Sports Shotgun program for the year 2003-2004 who attended the majority of the shotgun meetings held are eligible to compete in this

event. Trophies will be awarded to the top three scores.

The B.B. gun event will be held at the 4-H building with registration beginning at 1:30 p.m. and the competition will start at 2:30 p.m. All members of the Shooting Sports Rifle program that attended the majority of the rifle meetings through the 2003-2004 year are eligible to participate in this event. The participants will be shooting in prone, sitting, kneeling and standing positions. There will also be trophies awarded to the top two overall scores. These scores will be calculated from the four positions and a test score to determine the top two individuals.
