

Colby K-18 team settles for second

By SHERRY BARRETT

Colby Free Press

The Colby K-18 baseball team squared off with the defending state championship team from Phillipsburg at Lucas on Tuesday night. Phillipsburg is a very polished, mature team, with almost all of the starters returning from last year's championship game.

Phillipsburg went on to win with Colby finishing in second place.

In Phillipsburg's first two games of the state tournament the #3.04 run rule was in effect. The first Phillipsburg game with Belleville ended after 3 innings of play with a score of 16-0. The second game with Quinter ended after the top of the fifth inning of play with a score of 17-2. In the championship game of the state tournament the #3.04 rule was not in effect and a full seven-inning game would be played regardless of the score.

In the championship showdown, Colby vs. Phillipsburg, at the end of three innings of play the score was Colby 1, Phillipsburg 3. It looked as though Colby was going to give this powerhouse a real run for the title. In the fourth inning, a series of four, critically timed fielding errors allowed Phillipsburg to score 10 runs.

The following three innings, the 'error gremlin' continued to hang around for the Colby team. Colby put many players on base, but a nearly error-free game played by Phillipsburg, would not allow any more runs to score for Colby.

Colby coach Jeff Krzycki used three different pitchers and all players from the bench, trying unsuccessfully, to turn the game momentum toward Colby's favor. The final score after seven innings, Phillipsburg 19, Colby 1.

If allowed, this reporter would add these comments: "Congratulations for a great season to the Colby team, including the many good players, who didn't get to travel to state, coaches, and parents. Thanks to the coaches and parents in the younger baseball divisions for developing the skills needed to become a good solid team, from T-ball on up.

"On behalf of the Colby K-18 team, coaches, and parents, a big thank you is in order for the excellent support from the community and the Colby Baseball Association. The first ever, send-off for the team was an impressive success, including a moral-boosting police escort to I-70. Thanks to all who turned out for the event.

"To coach Krzycki and coach Russell Rodenbeck, thank you for your countless hours of time, travel, and sharing your talents, patience, and knowledge. Thanks also to your families for sacrificing their time with you.

"One final comment, second place at state is awesome!"

Elway into Hall Sunday

DENVER (AP) — Whether he was tossing the ball underhand, diving for a first down or driving the length of the field in the closing seconds, John Elway was going to find a way to win. No matter the score, if there was time on the clock and Elway had the ball, the outcome was still in question.

So when it came to getting into the Pro Football Hall of Fame, there was no doubt: Elway was a first-

ballot entry all the way. The King of Comebacks will be inducted Sunday in Canton, Ohio, along with Barry Sanders, Carl Eller and Bob Brown.

"I think the bottom line is I'd just like to be remembered as someone who was competitive, never gave up, that as long as there was time on the clock you're going to get 100 percent," Elway said.

In his 16 seasons, Elway led the

Broncos to game-winning or game-saving drives 47 times, including six in the postseason.

Denver has had plenty of players deserving of Hall of Fame consideration through the years. None made it, though, almost as if Hall voters were waiting for the perfect time to break the ice. If that's the case, they couldn't have done much better than Elway, the embodiment of the Broncos.
