# Colby College basketball women ready to open season in Colorado

Colby Community College's head women's basketball coach Tom Stephens will have the honor of coaching a defending Jayhawk West title team this season.

Although he graduated some fine players, including first team All-America player Jelena Spiric, he has a great recruiting class that will make up the difference.

The Trojans begin the season on Friday and Saturday in the North-eastern Jr. College Tournament in Sterling, Colo.

The team will be led by sopho-

# Trojans' wrestlers are all set to go

The Colby Community College Trojan wrestling has what should be a great season ahead of them.

Hall of Fame coach Steve Lampe returns national champion Eric Luedke at 157 lbs and All-American Zach Luedke at 174 lbs.

In addition, national tournament qualifier Kyle Patton (Wellsville), who is slated at 125 lbs, will help lead Lampe's squad.

Along with these outstanding sophomores, Lampe has what he thinks is the best recruiting class from the state of Kansas in 21 years.

Look forward to a great season from the Trojan wrestlers.

They will open the season Friday vs. Neosho at Chanute at 7 p.m. On Saturday, they will be in the Labette Takedown Tournament in Parson, and on Sunday engage in a dual with Labette.

**WE HAVE GOOD NEWS!**

A QUICK PAINLESS METHOD TO ERADICATE HEMORRHOIDS USING MILD ELECTRICAL CURRENT IS NOW AVAILABLE. THIS TREATMENT REQUIRES SEVERAL BRIEF VISITS TO OUR OFFICE, AFTER WHICH PATIENTS GO BACK TO WORK IMMEDIATELY.

WHAT DO THE RESEARCH STUDIES SAY?  
In Gastrointestinal Endoscopy, Vol. 33, #2, D.A. Norman R. Newton, and G.V. Nicholas reported the results of treatment of 42 patients with d.c. current therapy. They noted "All patients were successfully treated and symptom free at a mean duration of follow up of 18.2 months." They concluded "This painless outpatient treatment of all grades of hemorrhoids is effective and safe", and "warrants consideration as the treatment of choice of hemorrhoidal disease". In the American Journal of Gastroenterology, Vol. 83, #9, Dr. S. Zinberg reported the results of treatment of 193 patients with this method. "Good results were achieved in 95% of patients."

ADVANTAGES OF HEMCURE OVER OTHER TREATMENTS FOR HEMORRHOIDS:  
HemCure is far less expensive than surgery, requires no recovery, avoids complications like scarring and infection, and is reported by most patients to cause only mild discomfort during the treatments, which resolves immediately after.

This treatment method is covered by Medicare and most insurance plans. A payment plan is available for patients not covered by insurance, and for patient deductibles and copayments.

We want you to be an informed health care consumer. Our office will be happy to provide further information explanation of fees, and estimate of your out of pocket expense. If hemorrhoids are interfering with the quality of your life, call today.
