Royals' new skipper beats Yankees again

KANSAS CITY, Mo. (AP) — Joe Torre thinks the Yankees need some of the spirit Kansas City is playing with.

Buddy Bell, the Royals' new manager, is now 2-0 with both wins over the Yankees.

Energized by the arrival of a new manager, the resurgent Royals beat old nemesis Randy Johnson 3-1 Wednesday night, handing the Yankees their fourth straight loss and prompting Torre to call an angry closed-door team meeting.

Nobody would say exactly what Torre told the Yankees.

"It wasn't a pat on the (backside)," said Alex Rodriguez, who went hitless for the second night in a row.

It's the third four-game slide this year for the Yankees, who had won 16 of 18 before losing two in a row to Boston. Then they came to Kansas City, where the Royals' record of 15-37 is still the worst in the majors.

"I just didn't like what I saw," Torre said. "It's just as basic as that. I'm unhappy. I won't go as far as saying I'm discouraged."

One thing Torre did mention was Jason Giambi's getting caught in a rundown between second and third.

"We have to be a little more mindful, thinking baseball," he said. "We're flat and we need to do something about it."

Emil Brown hit a two-run homer as the Royals beat Johnson for the first time in 12 years.

D. J. Carrasco (1-1) threw six shutout innings for his first major league win as a starter. The Royals had not won a series against the Yankees since Aug. 11-13, 2003.

Carrasco gave up just four hits, with two walks and two strikeouts in what he called the best game of his career.

"That's a world-champion caliber team there and to go out there and have good results like that, I'd say it's my best outing ever," he said.

"When you're playing a team like the Yankees, everybody pretty much brings their 'A' game. Having a new manager come in at the same time, everything's coming together."

Johnson (5-4), who has 251 major league wins, was 9-0 with one save and a 3.03 ERA in 14 games.

Weight room hours announced

From the desk of Jeff Quenzer, Colby activities director, comes the following: Attention all Colby School District student-athletes who will be in grades 7-12 next school year. It is time to make your summer plans and start preparing yourself for the 2005-2006 seasons. Part of each student-athletes summer schedule should consist of making an effort to improve on their athletic abilities and the most important way to do that is by attending a summer workout session in the Colby High weight room. The weight room will be open to any Colby School District student-athlete. The summer weight room will be open every Monday, Tuesday, Wednesday and Thursday, starting on Monday, June 6 and continuing through Thursday, Aug. 11. Sessions will run from 6-7:15 a.m., 7:15-8:30 a.m., 8:30-9:45 a.m., and 8-9:15 p.m. It is important that athletes arrive a few minutes before the session they plan to attend. If athletes are late for a session, they will go with the next session. Each workout session will consist of the same workouts for that scheduled day. Workout will consist of flexibility, agility and strength/speed training. In order for Colby School District athletics to improve on the successes they have had in the past, it is very important that the student-athletes who will be representing Colby School District on athletic fields and courts this next school year make a commitment to improve their athleticism. If you have any questions concerning the summer workout program, please call the high school office at 460-5300.
