Colby youngster Casey Quagliano (left) and Mike Greeg, a show car driver with the Richard Petty Driving Experience in Charlotte, N.C., checked over the Kasey Kahne No. 9 car on display during the races at the Thomas County Free Fair Friday and Saturday. Greeg makes appearances all over the country with the car.

# Retired race car big draw at fair

Colby Free Press The races at the Thomas County

Free Fair were a big draw Friday and Saturday. So was the Kasey Kahne No. 9 race car on display, thanks to Taylor Motors of Colby.

The retired Dodge was once driven by Kahne, a NASCAR Nextel Cup racer.

Mike Greeg, of Outer Banks, N.C, works for the Richard Petty Driving Experience based at Lowe's Motor Speedway in Char-

tional work for Evernham now.' Motorsports, which Kahne races

The car was also driven by Casey Atwood, who drove it at tracks in Dover, New Hampshire and Richmond. After a few years of being used for racing, it was retired and became a show car. Most cars, Greeg said, are only raced a couple of years, but some are used up to four years.

"It still has the race engine in it,"

lotte, N.C. and also does promo- Greeg said. "It's strictly retired

He took the car to the premiere of the Disney film "Herbie Fully Loaded" and the car was also in a commercial shot recently in Fontana, Calif. The commercial, for Allstate Insurance, debuted during Sunday's Brickyard 400 at Indy.

The cars are sometimes sold for use in ARCA, which has the same rules as NASCAR and many of the cars used in that racing circuit come from NASCAR. Other times, the cars are sold to wealthy collectors who want a piece of racing memo-

Greeg said he used to be on the road 150-170 days a year with the car but that's changed.

"It used to be during the off-season. Now there is no off-season," he said, adding the drivers get a short off-season but his is virtually nonexistent with so many events he has to attend with the car.

Events each year like promoting new Dodge models at car shows in Denver, Dallas, Detroit and Pittsburgh are always on his schedule. Greeg said Detroit is the "Superbowl" of car shows each

While the car shows are large events attended by many people, he said stops in rural areas like Colby get a better response. He said there tend to be more race fans and having the car on display in conjunction with the fair races gave real fans a chance to enjoy the car.

"I love places like this," Greeg said. "This is like home to me."
