and those to whom he chooses to reveal my nature. When your heart is open to him, my heart is open to you! Come now, bringing the things that worry or trouble you, the things that produce stress in your life. I did not create you to bear these things in your human strength. If you let me, I will carry them. You have much to learn from Jesus. Spend time with him. You will find that his yoke is light and his burden is easy. This is the kind of load you were created to carry. Put on his gentleness and humility and enter into my rest. Come, God. Matthew 11:25-30.
