Sorosis Club discusses joining other groups

The Sorosis Club of Colby held their March 10 meeting at the home of Fritz Ostmeyer. Fritz acted as chairman while the club members discussed the possibility of joining with two other clubs in Colby, Phi Gamma and Shakespeare. A committee was announced who will

contact the other club members and make recommendations concerning meeting days, year books and programs. They will report back at the next meeting.

Members answered roll call by telling of an exceptional student they have known or been in touch

with. This coincided with the program of the day which was given by Gerry Anschutz, who is a member of the board of directors of the Dane G. Hansen Foundations Educational Scholarships.

Gerry told of the Dane G. Hansens' history and his interest in

northwest Kansas and how his wishes have been carried out. Through the foundation, students in 26 counties north of Interstate 70 to Salina plus Wallace County are offered an opportunity to continue their educations.

Gerry said that many of these scholarships are not being used and urges high school students to get involved in the process of applying for them.

She gave the Sorosis Club members brochures telling of the different scholarships, the exhibits and events that are planned yearly at the Dane G. Hansen Museum in Logan and asked that we suggest to students that we know to get more information about these educational scholarships by contacting their school counselors or teachers.

Next meeting will be Friday, April 14 at Margaret Denneker's home.
