RESOLUTION 2006-8
RESOLUTION OF THE BOARD OF THOMAS COUNTY COMMISSIONERS CONTINUING A COUNTY BUILDING MAINTENANCE FUND AS PROVIDED BY KSA 19-15,115 AND KSA 19-15,116

IT IS HEREBY RESOLVED by the Board of County Commissioner of Thomas County, Kansas, that a resolution be adopted authorizing Thomas County to make an annual tax levy of not to exceed three fourths (3/4th) mill for a period of not to exceed five (5) years upon all the taxable tangible property in the county for the purpose of continuing a building maintenance fund to be used for the purpose hereinafter provided: That the specific purpose for which the fund is created is to improve any public building including alteration, repair, reconstruction, remodeling, furnishing, equipping, extending, adding to, enlarging, or any other work which will enhance, extend or restore the value of utility of the public building, that being further defined in KSA 19-15,115. The total amount proposed to be raised shall not exceed \$303,000.00.

WHEREUPON, such levy may be made unless a petition requesting an election upon this proposition filed by electors equal to not less than 10 percent (10%) of the electors of the County who voted for the Secretary of State at the last preceding general election is filed with the County Clerk within thirty (30) days following the last publication of this resolution. In the event such petition is filed, the Board of County Commissioners shall submit the question to the voters at an election called for that purpose and held within ninety (90) days after the last publication of the resolution or at the next general election if held within that time, and no such levy shall be continued unless such proposition shall receive the approval of the majority of the votes cast thereon. Such election shall be called and held in the manner provided in the general bond law.

Said resolution is passed in accordance with KSA 19-15,116 of the Kansas Statutes Annotated.

Enacted by the County Commissioners of Thomas County, Kansas, this 17th day of July, 2006.
