# Colby College receives Wal-Mart grants

Students in three Colby Community College programs will benefit from grants recently awarded by the Wal-Mart Foundation. Former Colby Wal-Mart manager Roger Voss announced the grants which included \$500 for Business and Industry, \$500 for Adult Basic Education and \$1,000 for the wrestling program.

Business and Industry program director Barry Kaaz said the grant will be used for leadership development.

"The college will use the grant to fund guest speakers and course materials," said Kaaz.

The Adult Basic Education program will use funds from this grant for childcare and transportation assistance for qualifying students.

"During the past year the program served 177 learners in north-west Kansas," said program director Nance Munderloh. "This grant will make it easier for our students to attend classes to raise skill levels, continue on to post-secondary schooling or prepare for the GED exam."

Colby Community College business and industry representative Barry Kaaz, left, college President Dr. Lynn Kreider, Adult Basic Education Director Nance Munderloh, and head wrestling coach Steve Lampe received grant checks from former Colby Wal-Mart manager Roger Voss.

Steve Lampe, head wrestling coach at Colby College, will use the \$1,000 grant for recruiting and scholarships for athletes.

Dr. Lynn Kreider accepted the checks from the foundation. "On behalf of the college, I would like to thank the Wal-Mart Foundation and local manager Roger Voss

for their generosity and support of the college and its programs," Kreider said. "The funds will be a major benefit for students in our 14-county service area."

Kreider, an experienced academic institutional leader with over 20 years of experience, was recently named as the fourth President at Colby Community College. Dr. Kreider was selected for the position following a comprehensive, nationwide search to fill the

school's top job. Prior to accepting the president's job at Colby, Kreider was the first CEO/Chancellor of Louisiana Delta Community College, Monroe, La., for five years. During his tenure, enrollment increased and he was instrumental in the creation of the Louisiana Delta Community College Foundation, raising \$500,000 in scholarship funds and another \$300,000 in endowed professorships in the first year.
