## Back to school in Rexford

The weather outside Friday evening did not prevent The Lion's Club and Booster Club from sponsoring the annual Back to School Community free barbecue during the volleyball and football scrimmages. The rainfall was welcomed moisture and the workers worked it out in order to keep the scheduled event. Lions Tom Juenemann and Booster Club member, Annette Spreser, grilled hamburgers and hot dogs under the school breeze-way during the girl's volleyball scrimmage and food was ready for serving at 6 p.m. in the commons area of the Big Gym. The football players scrimmaged in the rain for their Bulldog fans and by 8 p.m. the sun was shining. Everyone had a great time.

## Colby cadet earns West Point honor

WEST POINT, N.Y. — Cadet Theodore Kleinsorge, son of Vernon and Judy Kleinsorge of Colby, has been named to the cadet Chain of Command at the U.S. Military Academy.

Kleinsorge was chosen as Company E, 1st Regiment 1st Sergeant. He is responsible for maintaining

order and discipline in the company while supporting the Company Commander.

Kleinsorge graduated from Colby High School in 2004. He plans to graduate from West Point in 2008 and be commissioned a second lieutenant in the U.S. Army.

The mission of the U.S. Military

Academy is to educate, train, and inspire the Corps of Cadets so that each graduate is a commissioned leader of character committed to the values of Duty, Honor, Country and prepared for a career of professional excellence and service to the Nation as an officer in the United States Army.

## Exploration Place officials hope T-rex will help turn around museum's fortunes

WICHITA (AP) — Exploration Place officials are hoping a Tyrannosaurus rex will help turn around the financial fortunes of the struggling museum.

Beginning next Saturday, Exploration Place will offer the exhibit "A Rex Named Sue," which features a replica of the largest Tyrannosaurus rex skeleton ever discovered.

The exhibit is the first of a five-year museum plan that includes other big traveling shows as well as new in-house exhibits.

"With this exhibit, we're saying 'This is worth the investment. These types of things belong in Wichita. This is what people want and what they expect,'" said Alberto Meloni, the museum's new presi-

dent. "In turn, I believe, the response will be there."

The dinosaur exhibit, created by the Field Museum in Chicago, also will include interactive displays, hands-on replicas, and videos and graphics exploring dinosaur science. It opens to the general public Saturday and will close Oct. 28.

The exhibit will cost Exploration Place about \$40,000, but it is expected to more than pay for itself through increased attendance, memberships, field trips and sales of dinosaur merchandise, Meloni said.

The exhibit will coincide with a new Robert Redford-narrated Cyberdome show, "Cosmic Collisions," which explains scientific theories about the dinosaurs' demise.
