Colby's middle school football team beats Goodland Mustangs 28-12

On Saturday, Sept. 10, the Colby Middle School seventh grade B team defeated the Goodland Mustangs by the score of 28-12. The Mustangs scored in the first quarter but the young Eagles responded with two touchdown pass plays in the second quarter.

Quarterback Corbin Stephens connected with right halfback Tay-

lor Moeder on scoring plays of 14 and 33 yards.

Moeder also ran in one of the two-point conversions to put the Eagles ahead at halftime 14-12.

In the third quarter, Stephens scored on touchdown runs of 54 and 25 yards. After the second touchdown, left halfback William Mick ran in the conversion attempt to

make the final 28-12.

The defense was lead by Jordan Baker and Cody Crocker recovering fumbles.

Christian Wilson intercepted a Mustang pass. Other Eagles with good defensive games were Logan Middleton, Josh Ryan, Chase Harlow, Andrew Ketchum and Troy Koon.

Miles wanted to thank Colby's activities director Jeff Quenzer and Goodland's activities director Mary Kratky for arranging the B team games.

They provide a great learning experience for all of the players.

Jets bring back veteran starter

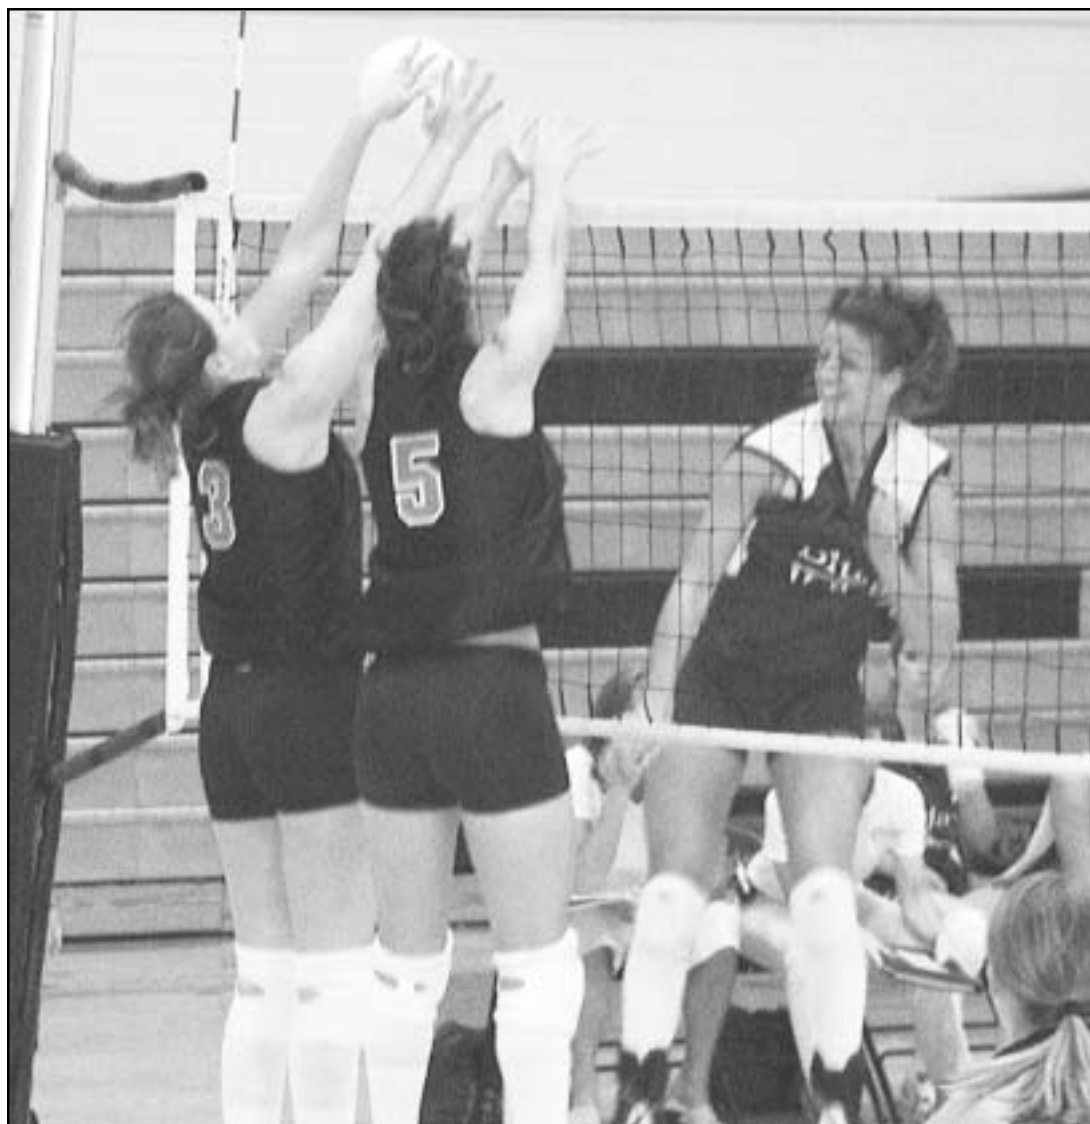

HEMPSTEAD, N.Y. — The desperate New York Jets brought back 41-year-old Vinny Testaverde after starting quarterback Chad Pennington and his backup Jay Fiedler were lost for the season with shoulder injuries.

In turning to Testaverde, who played for the Jets from 1998-2003, the team hopes he can back up untested third-stringer Brooks Bollinger, who is scheduled to start Sunday against the Baltimore Ravens.

Pennington re-injured his right shoulder in the third quarter of Sunday's 26-20 overtime loss to Jacksonville. Fiedler replaced Pennington, then went down early in the fourth quarter.

In other news, New England Patriots safety Rodney Harrison will miss the rest of the season with torn ligaments in his left knee. Harrison was placed on injured reserve, and will have surgery in four to six weeks for a torn anterior cruciate ligament, medial collateral ligament and posterior cruciate ligament.
