

FIRE PREVENTION WEEK

OCTOBER 8 - 14

JOIN US AS WE SALUTE OUR LOCAL FIREFIGHTERS!
Thank you, Thomas County Firefighters!

Without hesitation, the brave men of our fire departments often risk their own lives and safety to save the lives of others. For their selflessness and bravery, we salute them. Their call of duty extends beyond the difficult task of protecting us from ferocious fires; they are also among the first on the scene anytime someone dials 911. From providing life-saving first-aid care to life-saving rescues, our firefighters are always at the ready. During Fire Prevention Week, October 8-14, stop for a moment and thank our firefighters for their courage and dedication to protecting our community.

Is your Smoke Alarm Working? A home fire impacts the life of an American family ever 85 seconds. By providing an early warning and critical extra seconds to escape, smoke alarms cut in half your family's risk of dying in a home fire - but only if they work.

Colby Fire Chief Rick Dickman and J.L. Ellis visited Sacred Heart School this week as well as other schools to talk to kids about Fire Prevention.
