Casper leave Trojan women behind

From the Casper, Wyo., Star-Tribune

The front line did most of the work for the Casper College women's basketball team in a 64-45 win over Colby (Kan.) Community College on Friday.

Magdalena Pawlaczyk scored 18 points and Carine Reimink added 12 for the Thunderbirds (5-

1).

"We were able to get the ball inside consistently throughout the night, but it wasn't easy," Casper coach Angelo Hill said. "We had to work against their 1-3-1 zone, and we haven't seen a zone like that all year."

Jamie Schroeder scored nine points and pulled in six rebounds for

the Trojans. Results of Colby's game Saturday were not available by press time.

Colby plays Cowley County at 7 p.m., Dec. 2, in the Jayhawk Shootout at Coffeyville Community College.

Jayhawks over Towson

LAWRENCE (AP) — Freshman center Darrell Arthur scored 26 points in his first career start, leading No. 3 Kansas to an 87-61 victory over Towson on Sunday night in the first round of the Las Vegas Invitational.

Arthur, who averaged 17 points as a reserve in Kansas' first two games and is now the Jayhawks' leading scorer with a 20-point average, was 10-for-12 from the field and 6-for-7 from the line. His eight rebounds were also a career high.

He started Sunday night because Darnell Jackson, who had six points in limited action, has a sore right

shoulder.

Mario Chalmers hit three key 3-pointers and added 15 points for Kansas (2-1), which was coming off a 78-71 home loss to Oral Roberts on Wednesday.

Brandon Rush had 13 points for the Jayhawks, and Julian Wright scored all but one of his 12 points in the second half.

Russell Robinson had eight assists, one short of his career high, for the Jayhawks. But it was Wright who provided the game's highlight-reel pass, a no-look throw over his shoulder that Arthur converted into a basket for a 73-46 lead.

Trojans run in Wichita

Three members of the Colby Community College cross country team competed in the NJCAA half-marathon championships Sunday in Wichita. The half marathon distance is 13.1 miles.

Lance Clark finished 69th in a time of 1 hour, 28 minutes, followed by Kerry Barnett who finished 80th in a time of 1 hour 39 minutes.

Sandino Nero did not finish due to a leg injury. Nero stopped as a precautionary measure said head cross country coach Jeff Becker.

"I was disappointed for Sandino," Becker said. "We did not want his legs to be hurt for track season."

Despite Nero being unable to finish, Becker was pleased with the performances of the other two runners.

"Both Lance and Kerry ran personal best times and excelled at the longer distance," Becker said. "I am very proud of all of these young men. They ran great and represented Colby Community College in a positive manner."

Chiefs win late

KANSAS CITY, Mo. (AP) — Trent Green looked and felt just like new. He was at his best when Kansas City needed him most.

After passing for barely 50 yards in his return from a 10-week layoff, the two-time Pro Bowl quarterback coolly threw for 50 yards in one game-winning fourth-quarter drive. Hitting three of five in the final minutes, Green set up Larry Johnson's 1-yard go-ahead touchdown run and rallied the sluggish Chiefs past injury-riddled Oakland 17-13.

"The majority of games in this league come down to the fourth quarter, and finding ways to get that done," said Green, who couldn't even drive the first couple of weeks after suffering a severe concussion on Sept. 10.

"I just feel proud I was able to contribute to that part of it and make some throws when we needed."

The Raiders held a 13-10 lead when the Chiefs (6-4) took the ball on their 20 with 4:53 to play.
