

The Best Of

THOMAS

COUNTY

Survey

If you have lived here all your life or just since last month, you either know or are trying to find the best what Thomas County has to offer. We want to know what makes Thomas County what it is - down to the little things we sometimes take for granted.

The categories are diverse and some may require some deep thought before answering because there is so much to choose from in each category. After the entries have been received and tallied, we will run the top three winners in each category. Although space is limited, you are welcome to briefly explain your selection. We want to know why you think it is the best.

Answer these questions - bring it into the Free Press by Feb. 20th or mail to 155 W. 5th Colby, KS. 67701. Photocopied entries will not be accepted. One entry per person. One lucky entry will be chosen to win a one-year subscription to the Colby Free Press.
