Road work delayed

By TOM DREILING
tom.d@nwkansas.com

The Northwest Kansas Public Affairs Manager for the Kansas Department of Transportation, Kristen Brands, Norton, told The Telegram Monday that the road construction project at Prairie Dog State Park, originally scheduled to begin this week, has been postponed until mid-July.

The project was to seal the roads and parking areas, according to the Area One Office of the Kansas Department of Transportation in Phillipsburg.

The prime contracting firm out of Kanopolis — Hi-Plains Sand Inc. — will be unable to start the resurfacing until after the 4th of July, due to a scheduling project, according to information provided by Kristen Brands.

The process will smooth the road and fill surface defects that can eventually shorten the pavement life. Workers will first spread a thin layer of asphalt over the pavement, then coat it with a layer of lightweight aggregate, which is then pressed into place with heavy rollers.
