Notice

WE GIVE YOU THE CREAM.

NOT THE SKIM.

Some newspapers don't get read -- they get skimmed. Readers skim the headlines, the pictures, the ads. Not in The Colby Free Press!! We're not filled with "canned" materials like many newspapers. No photos from Kosovo and no wire service stories from other far-off places. The Colby Free Press is filled to the brim with local stories and pictures about local people and local happenings. No wonder it's so well read. *We give you the cream - not the skim.*
