

# Students help with trash pick up

May came and went so quickly, I hardly had a chance to catch my breath, what with graduations, birthdays, anniversaries, as well as celebrating the last day of school.

On May 15, Darrel Dible and Brandy Todd helped 19 Golden Plains High School students pick up trash throughout the city of Rexford. Thank you to Darrel and Brandy and these students: Jacy Moss, Jessica Luna, Michelle Becker, Jeremy Hunter, Alyssa Babcock, Randi Cressler, Melissa Ritter, Avery Spresser, Brandy Gilbert, Laura Clapp, Marisa Mosier, Brady Ginther, McKayla Albertson, Tyler Stevenson, Ryan Ptashkin, Danielle Weed, Jordan Spresser, Shaun Gilbert and Aisha Walter.

Dylan Wark celebrated his first birthday May 25, but a big party was held in his honor on Saturday, May 23. Loretta Trevino celebrated a birthday May 27. Gary Hibbs has one Wednesday and Rex and Betty Carswell will celebrate an anniversary Saturday.

Thank you, Bill Scott, for assisting in the Citywide Cleanup. We all appreciate your help in hauling off unused items and gathering tree limbs.

The city has bought a used generator from Jennings.

Golden Plains' last day of school was May 20. The district will be losing two elementary teachers. Jo Ann (Jody) Rogers and Margaret Stanley are retiring. Jody after giving 37 years and Margaret 33 years to the teaching profession.

Red Barn happenings: Monday: Barnswallows, 1 to 5 p.m.; Wednesday mornings at 10 a.m., ladies' Bible study; Thursday: 1 to 5 p.m., Come on Down; Fridays: 9:30-11 a.m. Koffee Klatch.

Until next time, make your week memorable.

# New specials featured in public television member campaign

BUNKER HILL — Several new specials, along with encore presentations of viewer favorites, will be in the lineup when Smoky Hills Public Television conducts its annual June membership campaign today through next Monday, June 8.

Kicking off the campaign at noon today was the premiere of "America's Home Cooking: Easy Recipes for Thrifty Cooking."

Chris Fennimore takes to the kitchen to prepare recipes used for years by thrifty gourmets.

For the first time, the "My Music" series returns to the era of the legendary orchestras, great singers and song standards in "The Big Band Years," at 8 p.m. tonight.

Coinciding with the 65th anniversary of D-Day — the June 6, 1944, Allied invasion of France — and drawing on the most beloved melodies that kept the home fires burning and soldiers' hearts alive during World War II, "The Big Band Years" turns back the clock to a time when swing musicians ruled the radio and night clubs, bringing a joyful escape to Americans during one of the most turbulent eras in the nation's history.

How can the science of "brain plasticity" empower children to gain success in learning and in life? What is brain fitness for kids?

Smoky Hills viewers will have a chance to learn more about this approach to accelerate learning for children, and how to bring it home, with the premiere of "The New Science of Learning: Brain Fitness for Kids," at 1 p.m. Wednesday.

The series features experts and scientists working on the cutting edge of neuroplasticity research, showing how their work intersects with the lives of real kids.

Known in Britain as "the David Beckham of the violin," David Garrett has touched hearts and astounded audiences wherever he has performed.

From Vivaldi to Queen to Michael Jackson, the young German violinist weaves classical standards with rock and pop favorites for a thrilling performance in his first PBS special, "David Garrett: Live in Berlin," at 7 p.m. Wednesday.

Josh Groban performs favorites from his best-selling albums in an intimate theatre setting in "Josh

Groban, An Evening in New York City," a "Soundstage" special event, premiering at 9 p.m. that night.

In his previous seven specials, best-selling author Dr. Wayne Dyer introduced public television audiences to powerful new ways of thinking.

Now, in "Dr. Wayne Dyer: Excuses Begone!," Dyer's goal is simple, though not easy: to help viewers learn how to overcome lifelong thinking habits that keep them from maximizing their potential.

"Excuses Begone!" at 4 p.m. Sunday, addresses the powerfully transformative process of chang-

ing habituated ways of thinking that limit our belief in who we can be and what we can achieve.
