

Rexford dogs need to get tagged

The city has received dog tags for 2009-2010. They are \$3.50 per dog and are effective Wednesday, July 1.

As in the past, the fee doubles if not purchased by Aug. 1. City Clerk Jolene Hansen is in the office on Tuesday afternoons.

Cleda Moeder and Buck Harper drove to Shawnee on June 4 to help Cleda's granddaughter, Teyton Moeder, celebrate her ninth birthday. Teyton is the daughter of Tim and Shelly Moeder. Their son Taylor wrestled in Wichita on Saturday, taking first place in Free Style and Greco-Roman events. Cleda and Buck returned home on Monday, June 8.

Foundation buys 'reading rotation bags'

Judy Shull (left), a reading teacher at Colby Grade School, talked with Brenda Mattson about new reading rotation bags to be bought with a grant from the J.R. Mattson Thomas County Betterment Fund at the Thomas County Community Foundation and the Kansas Health Foundation Children's Fund.

In the course of the school day, Colby Grade School students rotate among several rooms, including a reading classroom, carrying their homework in a "rotation bag."

Now they'll have new reading rotation bags, thanks to a grant from the J.R. Mattson Thomas County Betterment Fund at the Thomas County Community Foundation. The proposal was presented to the foundation by teacher Judy Shull after a co-worker, Stacey Wolf, brought up the idea.

This is the first grant from the fund, said Executive Director Melinda Olson. Part of the money comes from the Kansas Health Foundation Children's Fund.

The new water-repellent, nylon bags with snap closures should last three to four years, the teachers say, and make it easier for the kids to carry home their reading assignments and books each day. The old rotation bags were large

plastic baggies that didn't hold up well after being hauled around to three rotation rooms daily, as well as home each night, Olson said.

Kansas Big Brothers program receives national recognition

WICHITA — Kansas Big Brothers Big Sisters Inc. was recognized last week by Big Brothers Big Sisters of America with the Quality Agency Recognition Award at the national conference in Miami, one of only 16 agencies in the nation to receive the honor.

"We are pleased to recognize that Kansas BBBS exceeded the quality metrics in both their community and site-based programs," said Cindy Mesko, vice president for agency development. "We are honored to be able to recognize the staff and board (of Kansas Big Brothers Big Sisters) for pacesetter achievement in the area of quality."

"One of the hallmarks of the Big Brothers Big Sisters brand is to provide high quality services to the youth in our state" said Dawn DeArmond, president of Kansas Big Brothers Big Sisters. "We strive to reach an exceptional level of quality in all areas, including child safety. This has been proven to make the mentoring experience a positive one for all involved and

results in longer, stronger matches."

Kansas Big Brothers Big Sisters is one of the largest mentoring organizations in the county, De Armond said. Last year, the statewide organization served more than 6,400 kids, including 29 in the Colby area. However, there are still more than 3,000 children waiting for a caring mentor, she said.
