

Sudden journeys, changes in the planets this week

Aries: Success will not come easily for you. You will be inclined towards unproductive pursuits, so try to be practical. There is a chance of losing money or getting injured this week, so be careful while driving. Also be careful about your reputation.

Taurus: You may be in an aggressive mood. Try to remember your overconfidence may invite problems with family, associates and others. However, you may buy new property or a vehicle. It is a good week for students.

Gemini: You may have to go on a sudden long journey this week. Family atmosphere will not be cordial, especially with your spouse. You may have some misunderstandings and differences with business partners. If you are in the service, you will not face major problems.

Cancer: This week is going to

be fantastic for those born under the Cancer Sign. You may have high income and gains through the stock market, insurance and mutual funds are likely. You may also earn through foreign countries and foreigners. Chances of long distance or foreign travel are high. Family life will be very pleasant. There are no major problems.

Leo: The beginning of the week will be hectic, with many troubles. Sudden, unexpected expenses may spoil your budget. There is a chance of illness. You may not maintain harmonious relations

with influential people. Toward the end of the week, circumstances will be changing in your favor. You may overcome hindrances and a business or career expansion is possible.

Virgo: This week will give both gains and expenses. It will be critical for those in a partnership. Relations with partners may sour to the breaking point. Control your temper. Be careful about your health.

Libra: This is a normal week for you, without any big success. There will be obstacles and delays in your pursuits. A sense of insecurity will be predominant. You will have work pressure and unrewarding jobs. It is a better week for those in the service.

Scorpio: It will be a mixed week for you, with plenty of money, but also heavy expenditures.

Unexpected monetary gains are strongly indicated. It is a favorable period for investments in real estate and other spheres. You will have better health from now on. Family atmosphere will be cooperative and happy. It's a fine time for students.

Sagittarius: You are under a confused atmosphere. You won't be able to see what you should and shouldn't do. Boost your self-confidence. Control desires and don't live in memories. Use your intelligence and wisdom to succeed. Perform according to your talents to make the best use of the week.

Capricorn: The beginning of the week will be fabulous and you may gain favor from authorities. There is no trouble in finance. Friends and family will give you support. You may have luck in market or speculation. Sudden and unexpected windfalls are possible, but be extra careful during the end of the week as you might have some sudden tension and mental anxiety.

Aquarius: This week may give joy and happiness. Some auspicious news may put a smile on your face. Celebrate your success with friends. If you are preparing

for an education test, you may perform beyond expectations. Furthermore, you may have auspicious outcomes where love and romance are concerned.

Pisces: You will dominate them. You will have domestic harmony, and an increase in income. Gains to your fame are possible, with success in whatever you undertake. You will be very involved in your job and noticed and rewarded. You will have authority and responsibility in addition to being well-liked. People will follow and abide by your decisions or recommendations.
