Rotary Club

Twenty six members of the Colby Rotary Club toured the new Farm Credit building at 1190 S. Range Ave. Tuesday and heard Larry Maxwell talk about the history of the organization.

Maxwell told how the Federal Land Bank and Production Credit Association merged in 2002 to become Farm Credit. The construction of the building brings both operations together in one office.

Rotarians were reminded of the

"Coats for Kids" project Monday, Dec. 14, and that the club will be presenting dictionaries to third graders at the three Colby grade schools.

Guests at the meeting were Kevin Trenkle and Maxwell.

Glen Kersensbrock won Roto-Lotto.

The club meets at noon each Tuesday in the Student Union at Colby Community College.
