

Experiment with new patterns

Aries (March 21 – April 20) You are tempted to change your pattern. Go ahead, experiment. Plan an outing with your closest companion. Speak your mind, but be sure you are not misinterpreted or misquoted. A laid-back attitude will create problems.

Taurus (April 21 – May 21) Change your attitude and communications. Don't think of the past, but learn from mistakes. Maintain an amiable relationship with colleagues. Focus on something interesting you have wanted to do.

Gemini (May 22 – June 21) You are unforgiving. Take a break to focus on personal life. Relationships throw up challenges. Plan an outing with your family. Superiors are impressed with your efforts.

Cancer (June 22 – July 22) Rational thinking lets you help others. Your life has been sedate; make it more interesting. You get good news. Avoid giving out personal information. Communicate with family about concerns. Don't be stubborn if you want to be accepted.

Leo (July 23 – Aug. 22) A meticulous approach to work will help meet targets on time. Do assignments differently for a promising future. Remember what they say about all work and no play. Work pressure is high.

Shannon O'Brien
• Weekly Horoscope

Virgo (Aug. 23 – Sept. 23) You hesitate to commit, but risk getting into a deeper rut. You get into confrontations. Trying to change is frustrating. Work on security. Marital prospects are still spotlighted.

Libra (Sept. 24 – Oct. 23) You want others to know what you are doing. Circumstances require a direction change. By being open, you make yourself more acceptable. You are on the verge of achieving something big.

Scorpio (Oct. 24 – Nov. 22) Don't be discouraged by delays. You have too much work; try to reshuffle it. Someone makes unreasonable demands. Your mood fluctuates. Reconsider strategy, but know work will pay off.

Sagittarius (Nov. 23 – Dec. 21) Step back and look at things from an outsider's perspective. Present your thoughts to others. You have your own power. Be responsible at work. You may hold on to things that you should let go.

Capricorn (Dec. 22 – Jan. 20) Find a pace you can sustain, or your best efforts may be wasted. Use strengths to focus on what's underway, but be open to a change of direction. Find an effective way to work with limitations. You make an emotional breakthrough with both logic and intuition.

Aquarius (Jan. 21 – Feb. 19) Work hard, completing chores and errands. Show appreciation. Set aside old ideas, making room for new ones. Be active. Advance planning is essential. Business and travel go well.

Pisces (Feb. 20 – March 20) Learn from a friend. Ideas that seemed crazy turn out to be good. You have little patience for changing plans. Slow down to prevent mistakes. Do required things now, leaving free time later.

Licking cows damaged house?

ROGERSVILLE, Tenn. (AP) — A Tennessee man's homeowners insurance apparently doesn't cover "acts of cow."

Jerry Lynn Davis called the Hawkins County Sheriff's office on Thursday, complaining that a neighbor's cows had been licking his house. In the process, Davis says the curious bovines did about \$100 in damage by ripping off a screen window, cracking

the glass and pulling down a gutter.

The Kingsport Times-News reports that Davis' home is just a couple of feet from a fence enclosing the cows' pasture. They managed to poke their heads through to lick the house, though a deputy's report did not indicate what made the house so tasty.

Deputy Chris Funk was able to contact the cows' owner, who said he'd take care of the problem.
