# Quilting group starting at Red Barn

**Vicki Allison**

• Rexford Correspondent

Stitch and Chatter, a new activity at the Red Barn, is scheduled to start Friday, March 19. Berneda Zoberst has volunteered to be in charge of a quilting group.

People can get started on a small quilting project, which will be provided unless you have something else. Or maybe just enjoying the fellowship is what you're seeking.

Cleda Moeder and Buck Harper were in Salina Feb. 26 and 27 to watch Cleda's grandson, Taylor Moeder, wrestle in the state tournament. He took first in the 130-pound weight class.

I would like to share some of Golden Plains' accomplishments during the 2009-2010 school year.

The middle-school volleyball team was undefeated and won the league championship. The middle-school girls basketball team also won the league championship, with a record of 14-1. In high school football, Golden Plains won the league undefeated and then won its district. In high school scholars' bowl, they were league runners up, regional champions and third at state. The physics students won first place at Fort Hays State University's physics bowl.

Happy birthday wishes to Janette Dible, March 6; Morgan Wark, March 8; and Dave Williams, March 27.

Until next time, make your week memorable.
