There will be a cowboy action shoot Sunday, weather permitting, at David and Teri Gould's Cactus Creek Shooting Range north of Rexford, with door prizes for shooters and guests. Everyone is welcome to come out and see some of the new shooting stages.

Lunch will be served around 12:30 p.m. To confirm your attendance, call 462-5598 or 462-0372 so supervision, supplies and food can be provided. The range fee is \$15 per day per shooter or \$10 per day per shooter at the family rate.

The Oakley Veterinary Service is offering a vaccination clinic for cats and dogs from 4:30 to 6:30 p.m. Thursday, April 22, at the Rexford City Building. This will be a good opportunity to have it done right here in town.

A citywide clean up has been scheduled for Friday,

April 23. Bill Scott, city maintenance man, will pick up any items needing to go to the dump except untagged refrigerators or freezers, painted wood, tires and grass clippings. He would appreciate volunteers to help. A message can be left at 687-3191 or contact Bill Scott at 687-3416.

The city is again enforcing residential clean up during the spring and summer. The ordinances regulate overgrowth of weeds, enclosure of abandoned and untagged vehicles and disposal of trash or debris in yards.

Guests of Cleda Moeder and Buck Harper over Easter were Shelly, Payton and Taylor Moeder. They went home on Monday.

Guests during the Easter weekend at the Allison residence were Kristin Wark, Mission; Jami Wark, Hays; Chad and Desiree Wark and their children, Morgan, Hayden, Dylan and Lakin, Rexford; and Madonna Anderson and Tina Ohlrogge, Gem.

Red Barn happenings: Barnswallows, 2 to 5 p.m. Monday; ladies' Bible study, 10 a.m. Wednesday; Come on Down, 2 to 5 p.m. Thursday; Koffe Klatch, 9:30 to 10:30 a.m. Friday; and Stitch and Chatter, 2:30 p.m. Friday.

## Stitched artwork thread of Logan exhibit

A new exhibit, "Uncommon Threads: Stitched Artwork by Margaret Cusack," is scheduled to open Friday, May 7, at the Dane G. Hansen Museum in Logan.

This retrospective exhibition of about 80 pieces presents the career of more than 30 years of this award-winning artist and illustra-

tor as depicted through her quilts.

Working primarily in applique, Cusack uses familiar methods and materials for a unique function as graphic design. Her creations have illustrated posters, advertisements, children's books and even postage stamps.

Also included in the exhibition

are teaching materials that illustrate the step-by-step process she uses, from preliminary sketches and technique samples to the finished work.

For information, call the museum at (785) 689-4846, or check the web at [www.hansenmuseum.org](http://www.hansenmuseum.org).

# Plant trees in April, celebrate Arbor Day

The ideal way to celebrate National Arbor Day is to plant trees, and the Arbor Day Foundation wants people all across America to participate, so everyone who joins the foundation during April will receive 10 free shade trees.

National and Kansas Arbor Day celebrations are the last Friday in April, which is April 30 this year.

Everyone who joins the foundation this month will receive these shade trees: red oak, sugar maple, weeping willow, bald cypress, thornless honeylocust, pin oak, river birch, tulip tree, silver maple and red maple as part of the Trees

for America campaign.

"These trees will provide shade and beauty year-round and magnificent color in the fall," said John Rosenow, chief executive and founder of the foundation.

The trees will be shipped in April or May with enclosed planting instructions. The 6- to 12-inch trees are guaranteed to grow or they will be replaced free.

To become a member and receive 10 trees, send a \$10 contribution to the Arbor Day Foundation, 100 Arbor Ave., Nebraska City, Neb. 68410, by April 30, or go to [www.arborday.org/april](http://www.arborday.org/april).

## Pet health on stage for television program

Pet Health is the topic for this week's Doctors on Call program on Smoky Hills Public Television.
