Mark Stock and Ron Stock owners of Stock Realty and Auction Co. invite you to attend a "Career Night", where you can learn and have the opportunity to ask questions, about a rewarding career in real estate. **"Career Night" will be held on July 28, 2010 starting at 5:30 p.m. with a light evening meal at the Stock Realty and Auction Co. office at 390 N.  A career in real estate provides flexibility and freedom to set your own pace. Income directly reflects your efforts, with no limits on what astute, hard-working men and women can earn.
 Land agents deal in land for farming, and acquisition of

rural land by cities for residential, commercial and industrial expansion. Residential agents get to help people buy and sell homes and help them with one of, if not the most important decisions they will make. It does not matter what area of real estate you are interested in, it is certain you will find it exciting, challenging and rewarding.
 Now is a good time to consider a career in real estate. If you would like a career that is challenging and rewarding, offers you unlimited income potential, flexibility, allows you to be your own boss, and work with people, real estate could be for you. Real estate is not for everyone, but if you are self-motivated, independent, business minded individual, it probably is for you.
 Come find out why Stock, Realty and Auction Co. is a Great place to be. To reserve your seat to attend **"Career Night"** please call Kristina: 785-460-7653 or toll free at 800-258-3318. **"Walk-ins Welcome."**
 "I have been a full time Realtor in Colby, KS for over 28 years. I have no regrets. Getting to do what I love...list and sell real estate. I am so fortunate." Molly J. Oliver of Stock Realty and Auction Co.
