Focus on relationships; second chances help reconnect

Aries (March 21 – April 20) There is less urgency and you're on a more long-term objective. Focus on personal and professional relationships, building from the authenticity that has developed out of facing challenges. Open the door to second chances without compromising your forward momentum.

• Weekly Horoscope

Taurus (April 21 – May 21) Focus on your relationships. Reconnect with the past, opening the door to second chances, making up for lost time or reconciliation. Don't become so mesmerized with the past that you remain stuck. Create both short and long term professional momentum in balance.

Gemini (May 22 – June 21) Get your bearings. All has played out on the professional and personal fronts and you have a chance to step back, take it all in and look at where to go from here. Watch both the road ahead and behind. On the personal front, put things on a sustainable course.

Cancer (June 22 – July 22) Enjoy the balance you've fought for, and maintain it. Until then, take every chance you get to recharge your batteries, focusing on the home front or having fun. There's even a chance to recapture something lost, with the door open to second chances. There'll be plenty of new opportunities as well.

Leo (July 23 – Aug. 22) Financial tension has been relieved. This comes as mental pressure is easing, with your mind sharp and communication lines open. With more confidence on financial and job matters, start playing a more strategic game. Make up for lost time at home, catching up with loved ones. Push forward on home, family or property matters.

Virgo (Aug. 23 – Sept. 23) Things are all go on the income front. You have more confidence across all the currents in your life. This is an important week for talks, decision making and for playing your A game. Communication lines are opening, giving the past a voice. Yet you're able to do a lot of forward planning.

Libra (Sept. 24 – Oct. 23) Take a step back, but not for too long. You have just enough time to contemplate your next steps. Put the finishing touches on your plans; the toughest challenges are behind you. There are new and second chances on the income front, while things are falling into place on the job

front.
Scorpio (Oct. 24 – Nov. 22) See your passions, energy levels and excitement about new quests kick into overdrive, with a sense that you're back in your stride and mean business. All this, with a chance to get a head start on as many things as possible.

Sagittarius (Nov. 23 – Dec. 21) For the first time in six months you're without activity in your career sector, giving you a chance to get your bearings and gain perspective. Recharge your batteries. A real sense of nostalgia comes in an already nostalgic part of your chart. Friendship, teamwork and networking is building.

Capricorn (Dec. 22 – Jan. 20) You would think that professional forces would dominate this week. They'll try but meet some resistance from a very social and serendipitous part of your chart. Teamwork is the name of the game, especially on the professional front.

Aquarius (Jan. 21 – Feb. 19) You finally have a chance to get on with second chances on the income front. It has just become a lot easier. This opens the door for forward momentum. Yet things aren't as career focused as they're going to get. Make the most of an adventurous, learning and skills based area of your chart.

Pisces (Feb. 20 – March 20) Financial and personal pressure eases off; you've made it. There's nothing else to surprise you and nothing more to have to deal with. Now work through challenges already in the process of turning into opportunities. What doesn't defeat you will make you stronger.

Arts come together at Fort Hays State event

Poets, writers, singers, dancers, mimes, musicians, rockers and artists of all shapes and sizes will converge on the Memorial Union's Cody Commons from 7 to 10 p.m. Thursday, Nov. 4, on the Fort Hays State University campus.

The "Clash of the Arts" has been organized by Jamison Green of a Dallas freshman, and the student organization "We-Speak" to bring and different talents together on one stage and bring the diversity of art to the attention of Fort Hays.

"We need to fill the slots for artists who love to display their crafts," said Green. "This is a nonprofit event, so all performers would perform out of the kindness of their hearts."

Asked why he was organizing the event, Green said, "so people can have a better appreciation of the arts, and artists on campus and around the local community can display their talents."

For information, contact Green at (214) 674-5486 or jmgreen3@scatcat.fhsu.edu.
