College instructor joins state Girl Scouts committee

Crystal Pounds, a computer information systems instructor at Colby Community College since 2006, has been elected to the board development committee of Girl Scouts of the Kansas Heartland.

C. Pounds

The board is responsible for identifying and recruiting potential members of the Girl Scouts of Kansas Heartland Board

of Directors, the development committee and national delegates. They also work with the board of directors on orientation, development and board evaluation.

A Brewster native, Pounds was a Brownie and a Junior Girl Scout.

She says she enjoys getting involved in the community by picking up trash with the Colby

Rotary Club and enjoyed assisting a student organization at the college to host a business etiquette dinner for the community.

"Scouting is great for kids," she said. "I like to see them get involved in the community and learn leadership skills at a young age. I am looking forward to help making the Girl Scouts organization even better."

This baby's lucky number has got to be 10

CLEVELAND (AP) — Proud parents in Cleveland are thinking of their baby as a perfect 10 — partly because of the way he arrived over the weekend.

Kolsyn Liam Healy was born at 10:10 a.m. on Sunday, Oct. 10. That made it 10/10/10 on the calendar.

The father, Nicholas Healy, calls the time of birth "a little crazy." He told WEWS-TV he expects 10 will be his son's lucky number.

Mother and son were reported to be doing fine at Fairview Hospital.
