IS YOUR CAR READY FOR

Winter is right around the corner. There are several things you should consider doing before the weather gets really cold and the snow comes down. The first is winterizing your house.

That consists of checking your storm windows and exterior doors for cracks, openings, etc. Seal any cracks and openings and weatherproof where needed. Add insulation where needed.

Have your furnace cleaned and change the furnace filters. Make sure there no flammable materials near your furnace. If you have a fireplace, have it inspected to make sure it is safe.

Also, clean your gutter and downspouts, to prevent water in them from freezing and drain the garden hose.

Winter's Almost Here!

We could be in for a long, tough winter.

Are you and your vehicles prepared?

We'll help you get ready with a great selection of

Power Service, Howes, and Lucas fuel treatment

products. We also have AC Delco Batteries,

Booster cables, Anco Wiper Blades,

Tire Chains and Cables.

Everything under one

roof to get you

through the winter.

and inspect your roof for any missing or make sure you have a good snow shovel, worn shingles. Insulate any exposed pipes stock up on driveway salt, candles, flash lights, extra food and water.

for wear and check the tire pressure. Also, check the battery, belts, hoses, lights, heater, defroster, brakes, antifreeze, etc. You should change the oil and wiper blades and fill the wiper reservoir.

You should also make sure you have a blanket, a first aid kit, tool kit, flares, cat litter, jumper cables, a snow brush, an ice scraper, a shovel, water and some food in your car. If you are not confident that your car will not get through the winter, now is a good time to consider replacing it with a more reliable one.

If you do decide to replace your car, there are many ways you can deal with your pres-Service or tune-up your snow blower, ent car. You will receive a valuable tax deduction if you donate your car to charity. Your car donation will also help a very worthy cause. For details on how to donate a car, Next, winterize your car. Check the tires call Cars4Charities at (866) 448-3487.
