Four universities join for beef meets

teaming up with the University of Missouri, University of Nebraska, and Iowa State University to present the 4-State Beef Conference in January at locations in each state.

"The 4-State Beef Conferences are designed to give beef cattle interests in Iowa, Kansas, Missouri, on current cow-calf and stocker topics," said Joel DeRouchey, livestock specialist with K-State Research and Extension. "The conferences provide a forum of specialists from four of the country's leading beef-cattle land grant universities.

Topics planned are: multi-year selection impact, Dave Patterson, Missouri; benefitting from feeding threats to the industry, Daren Wil-
