Winston K. Whitley

W. Whitley

Winston K. Whitley, 74, Man-

here, died Monday, April 4, 2011, at the Meadowlark Hills-Sloan House in Manhattan.

He was born Sept. 12, 1936, in Tyrone, Okla., the son of Henry T. and Twila (Robertson) Whitley. He was raised in Colby and graduated from Colby High, then attended Kansas State University. He served for a few years with the Army National Guard in Colby.

On Aug. 31, 1956, he married Marilyn Miller in Colby.

Mr. Whitley was a "telephone man," born in the family apartment above the United Telephone Office in Tyrone. Both of his parents worked for independent telephone companies, but at 19, he took a job with Southwestern Bell, working on the line gang in Colby and on a cable-splicing crew which traveled across the state. In 1960, he took a permanent job in Manhattan and remained in the central office there until he retired in 1991.

He was a longtime member of hattan, a Colby High graduate the First United Methodist Church and a former telephone worker in Manhattan. His professional

> memberships included Communication Workers of America and the Telephone Pioneers. Preceding him in death was his father, Henry T. Whitley, in 1990.

Survivors include his wife, of the home; a son, Robin R. (Kim) Whitley, Crete, Neb.; a daughter, Jill (Edward) Orr, The Woodlands, Texas; his mother,

Manhattan; and two grandchil-A graveside inurnment service will be at 11 a.m. Monday, April

Lunches highlight Library Week; new catalog starts the week after

National Library Week begins Monday. Each day the library celebrates by having a special luncheon with a speaker or author sharing about a specific book. We are also excited about the silent auction we are holding.

A week after National Library Week, we will roll out our new library catalog system. With this, we will be giving new library cards to all library patrons. When you come in you will receive a new, updated-looking (and might I say, attractive) library card. These are free to members of the com-

All you have to do is come on Wednesday, April 20, or after and update the information on your account. This enables you to sign into the new catalog system and begin experiencing its many advantages.

When the rollout of the new patron cards was discussed with library trustees and Friends members, many thought we should have a silent auction to help the library raise funds for special library projects.

Hence the Friends of the Pioneer Memorial Library will be helping us with a silent auction so community members can bid

on special numbers. We will auction off card numbers 1, 2, 3, 4, 5, 10, 50, 77, 88, 99, 100, 555, 777, or your choice of number under 1000. Each number will have a special bidding sheet placed on the reference area beginning Saturday, April 8. Bidding ends on Friday, April 15.

Come in and bid. One person is going to bid on 77 – when they graduated. One wants a blessed number of 777.

I think it would be great to have 10 because I'd never forget my number. Another patron wants to keep their old memorized number of 764. So, come and help the library with special projects.

We have added activities this year and hope for more in the future, but all take extra funds and resources. Our Friends want to help us grow, so come bid on a card. If you want a sneak peak at what the cards will look like, come

and view the bidding sheets.

On Monday of Library Week, we will review "Always Alice," by Kipp Van Camp.

Tuesday, author Judith Miller will speak on her book "Daughters of Amana," set in the Amana Colonies of Iowa during the 1800s. The settlements were founded by devout Christians who believed in cooperative living, a simple lifestyle and faithful service to God.

Our own retired librarian from Colby, JoAnne Sunderman will speak Wednesday on the book written by Eric Metaxas and Timothy J. Keller, "Bonhoeffer: Pastor, Martyr, Prophet, Spy.'

Thursday will feature author, Paul Schneider reviewing his Kansas Reads Book of 2010 called "Silver Shoes," based on the premise that the silver shoes in L. Frank Baum's story "The Wizard of Oz" were real. When a family traveling through Kansas acquires an old silver shoe, strange and ominous things begin to happen.

Friday Nancy Saddler, our adult librarian, will speak on "What is Everyone Else Reading?" Saddler will share something new and something different to read. She will share not only the best sellers, but best circulators.

Another special event is a drawing at Friday's lunch for seven new library card numbers. Everyone who comes to a luncheon can write their name on a card and place it in a barrel - only one per person per day. You do not have to be present Friday to win because we recognize not everyone can at-

tend all days. If you have never attended one of our special luncheons please know it is free; if you would like to leave a donation you can. If you only have a short time for lunch, stay while you can and quietly slip out when you must leave.

I am out of space, but I will tell you we have gotten in some new DVDs, books and audio books for you to check out this week. Also, remember, if there is a book that we do not have on our shelves, we can request it from another library - unless it is brand new! This is called an interlibrary loan. It cost you nothing and allows us to serve you better.

The library is your Internet access place. We have wireless and broadband for you to use. The librarians hope to see you at the library during National Library

Of particular interest for club members was information about how Beulah Cemetery was established, the first person to be buried there and how it has developed more recently. Club members enjoyed reviewing our heritage, the contributions of our early settlers and opportunities open to us for the future.

After the program, Hansen and Wiens shared a spring strawberry shortcake with coffee, tea, decorated chocolates and almonds. The afternoon was spent visiting and planning for future meetings.
