# Countdown to the Girl Scouts 100th Anniversary

**Girl Scout Mission:** Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

**More than 90 Years:** Founder Juliette Gordon Low organized the first Girl Scout Troop on March 12, 1912, in Savannah, Georgia.

**Still Growing Strong:** Today, there are 3.2 million Girl Scouts—2.3 million girl members and 880,000 adult members working primarily as volunteers.

**Empowering Girls:** In Girl Scouts, girls discover the fun, friendship, and power of girls together. Through a myriad of enriching experiences, such as extraordinary field trips, sports skill-building clinics, community service projects, cultural exchanges, and environmental stewardships, girls grow courageous and strong. Girl Scouting helps girls develop their full individual potential; relate to others with increasing understanding, skill, and respect; develop values to guide their actions and provide the foundation for sound decision-making; and contribute to the improvement of society through their abilities, leadership skills, and cooperation with others.
