

Leoti festival focuses on wind use for work and play

The Wind and Wheels Festival is coming to Leoti on Saturday, April 20. This all-day event at the Wichita County High School will celebrate the area's abundance of wind in a unique fashion. Wind and Wheels will feature kite demonstrations and open kite flying, a car and motorcycle

show, live music performances and food. A landing from an Eagle Med helicopter, wind energy presentations and radio control flyers will also be part of the festival. The day will kick off with a 5K run, supporting the fund raising efforts for a high school track. There is no fee for attending the

festival. Certain activities such as the 5K, entering the car show and food purchases will require a fee. Attendees are encouraged to bring lawn chairs and kites for the open kite flying opportunities. There will be kites available for purchase during the event. "After years of lacking a major

community festival besides the county fair, we are excited to resurrect a celebration of community assets with Wind and Wheels," said Simone Cahoj, event coordinator and Wichita County Economic Development director. "We've got great support from 21st Century Equipment and other

local businesses to help make this event a reality." Interested car enthusiasts can e-mail windandwheels@gmail.com or call (620) 375-2182 to get a registration form. For information about the event, go to www.windandwheels.org. And when you're done, be sure to like Wind

and Wheels on Facebook. **"Dog-gone" it.... I shoulda used the Classifieds!** Call 462-3963
