

Just havin' fun

KATHRYN BALLARD/Colby Free Press
Colby Grade School fourth graders Hadley Focke (above, left), Rebell Edmundson, Jo Breeden, Ricky Miller, Brianna Barnett, Regan Geissler and Dylan Bond found it was a great day for swinging at the park when they had their school picnic. Field day was more stressful though, as Braden Schritter (left) checked over his shoulder during a race to see if Braden Thummel, Kelby Garrett and Matthew Schritter were catching up to him. Second grader Mason Kersenbrock (below) got a good workout on the playground while Breon Barton cheered him on during their class picnic.

Field day activities for the second grade included passing a wet sponge in a relay (left). Bailey Kraft was only the first in line to get wet. Fourth-grader Jason Kranawitter (below) jumped for the ball in a pick-up game at the class picnic.

Everyone enjoyed relaxing on the grass at Fike Park when the second grade had their picnic.
