added more nutrients, especially boron, through the pivot sprinkler. He said they probably did too much to the crop, since now there will be too many variables to tell what helped out the most.

"We've been going accordingly, you know, we've been it usually produces about 240 to spoon-feeding the crop," Baal-

After a hail storm hit the farm July 3, they added more nutrients, fungicide and pesticide, Baalman said. Spider mites got on the southern side of the crop from the grass along U.S. 24. He would have strip-tilled the field, but decided not to for the sake

would, probably 13 to 14 acre inches so far.

"I don't know what that pivot's going to make," Baalman said. "Everybody asks me."

He said he's thinking about 275 bushels per acre, but not 300. He rotates the field between corn and soybeans, and 250 bushels of corn.

"It's fun to go to the coffee shop and brag," he said, adding that the steps he has been taking need to be measured against whether a farmer can afford it.

Scanlan said they might look into adding more fungicide and fine-tuning their application of nutrients next year, but they will of the project. He also put more have to look at the information water on it than he normally they gather at harvest.

Woolfolk said he grew up in been working with Baalman near Tribune. He is working of West Point, Neb. The Mosaic representatives were to visit to farms in Minnesota, Iowa, Illinois and Indiana.

"The bottom line is, we can learn a lot from each other," down with intelligent people bringing in experience." The Mosaic representatives

approved once or twice a year.

In other business, the board:

- Approved new and revised board policies with the exception of a section concerning disruptive acts in school and at school activities. Harrison said after the meeting that the district had been working on those policies since June.
- Heard Elementary Principal Lance Krannawitter report that the school has 380 students enrolled, 12 fewer than last year, but a big jump up from the year before, when there were 328.

The number of students who speak English as a second language has double to about 23 this year, he said. That includes several Asian students as well as Spanishspeakers, Krannawitter said. The school hired five new teachers and two new paraprofessionals, he said, and two teachers are teaching different grades than before.
