## Mayor of small Alaska town brawls with dog

ANCHORAGE, Alaska (AP) – For the honorary mayor of Talketna, Alaska, a weekend dogfight was less political, more literal.

Mayor Stubbs the cat is recovering at a veterinarian's office in Wasilla after being injured by a dog Saturday night in the quirky tourist town near Denali National Park.

Owner Lauri Stec tells KTUU (is.gd/iA9lcw) that Stubbs suffered a fractured sternum and a punctured lung, and already has undergone three hours of surgery.

Stec is planning to file a police report. She says the would-be assassin "needs to go away."

Residents didn't like the mayoral candidates years ago, so they

encouraged enough people to elect Stubbs as a write-in candidate.

Although his position is honorary, Stubbs' popularity is real, earning national stories and subsequent visits from tourists. He normally spends his days at a main street general store.
