## We salute the students who brought home Silver from Florida!

## Freshmen team takes second at nationals

Nine members of the Goodland High School Junior Parliamentary Procedure Team won silver medals at the 2000 Family, Career, and Community Leaders of America National Leadership Meeting July 9-13 in Orlando, Fla..

The students competing in parliamentary procedure were Donald Raymer, president; Amanda Hoffman, secretary; Tom Cotter, treasurer; Deanna Livengood; Alan Cebula; Laura Rice; Matt Hall; Michelle Kibel; and Kevin Schulte, alternate. All will be sophomores this upcoming school year.

They participated in the Students Taking Action with Recognition competition at the meeting.

The event recognizes chapters which develop a working knowledge of parliamentary law and demonstrate the ability to conduct a club business meeting. Both youth and adults work together as managers of the events and as evaluators of the participants.

At the meeting, the students went to seminars, where they heard motivational speakers and visited booths put together by

other participants.

They received the medals at a recognition session which honored all participants on July 12 at the Marriott World Center Hotel in Orlando.

While in Florida, the students visited Sea World, Universal Studio's "Islands of Adventure," the Atlantic Ocean, and attended a Surfing Safari Gala.

The team and accompanying adults drove to Orlando, traveled through many states and saw sights along the way.

Sarah Short and Gwen Cebula are high school teachers and advisors for the club. They accompanied the students on their trip, along with Steve Raymer, principal at North elementary and Dick Short, president of the school board.

The club's programs are planned and run by the members. It is the only national in-school organization with the family as its central focus. Participation in national programs and chapter activities helps members become leaders in their families, careers, and communities, said Sarah Short.

Matt Hall, Alan Cebula, and Tom Cotter (front row left to right) and Laura Rice, Michelle Kibel, and Deanna Livengood (back row) listened to comments from the judges at the Family Career and Community Leaders of America District A 2000-2001 Star Events held Wednesday, Jan. 26 at Our Lady of Perpetual Help Catholic Church in Goodland. They were part of the junior parliamentary procedure team from Goodland. Other team members who were present, but not pictured, were Amanda Hoffman and Donald Raymer. There are 11 schools in the district. Besides Goodland, the other schools which participated in these events were Hill City, Norton, Jennings, Oakley, and Quinter. By winning the district competition the Goodland team was eligible to compete at the state competition to be held in April in Wichita. Winning at the state level gave the team the chance to attend the national competition in July at Orlando, Fla.
