THANK YOU

Leo and I want to express our deep appreciation for the many prayers, cards, telephone calls, flowers, visits and care packages sent to us during this past two months. All of which had a great deal to do with Leo's excellent recovery. We also want to thank the doctors, nurses, and EMTs who made the flight to Denver go so smoothly. We are grateful to Pastor Scott Grimshaw for his visits to those of us, in Denver, who needed his inspirational visits. May God Bless You All!

A man wakes up in the morning after sleeping on an advertised bed, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised shaving cream, eat a breakfast of advertised juice, cereal and toast (toasted in an advertised toaster), put on advertised clothes, and glance at his advertised watch. He will ride to work in an advertised car, sit at an advertised desk and write with an advertised pen. Yet this man hesitates to advertise, saying that advertising doesn't pay. Finally, when his *unadvertised* business fails, he *will* advertise it for sale.

What is Assisted Living? Assisted Living is a unique combination of a physical plant promoting home-like private space and independence, with a social model of care, emphasizing resident choices, dignity, individuality, and flexibility for changing needs.

How much does it cost? The monthly cost varies with apartment size selected and services needed. The average choice is equal to \$3.22 per hour for twenty-four hour care, and includes meals, utilities, all maintenance, and recreational activities. Staying home and hiring help would certainly cost much more than that.

Is financial assistance available if I can't afford it? Yes, the State of Kansas has a program in place for supplementing cost of care in Assisted Living for those who qualify. **Call Don Fiegel, Director of Wheat Ridge Acres today to see if you qualify.**
