THANK YOU

I would like to thank all family, friends and neighbors for the flowers, food, cards, phone calls and offers to help after my accident. It means so much at a time like this to know that people care. I have a long way to go to be able to do all the things I use to do but my physical therapist says that with time I won't even notice my loss and that I will be able to do everything I use to do. If that happens it will only be because of loving family, wonderful friends and caring neighbors. Thank you all so very much. Mary Butler
