NOTICE OF AVAILABILITY

The U.S. Department of Agriculture, Animal and Plant Health Inspection Service, Wildlife Services Control (WS) program has completed an Environmental Assessment (EA) for Bird Damage Management at livestock feeding facilities in Kansas.

The EA analyzes potential environmental effects of a proposal to provide operational BDM services,

if and when requested, by livestock facilities that are experiencing damage by blackbirds, starlings, feral pigeons, and house sparrows. A number of issues and concerns identified by the public and others were used to develop alternatives. The EA is available for review and input prior to a final agency decision.

Copies of the Predecision EA may be reviewed at, or obtained from, the following office: USDA-
